STORMONT HOUSE SCHOOL MATTERS

Dates to remember...

LAST DAY OF SPRING TERM
LAST DAY OF SPRING TERM

Thursday 28 March 2024
(school closes at 1.15pm)

All students return to school on
Monday 15 April 2024

Year 8's go to

KENCH HILL

Monday 25th - Wednesday 27th
March 2024

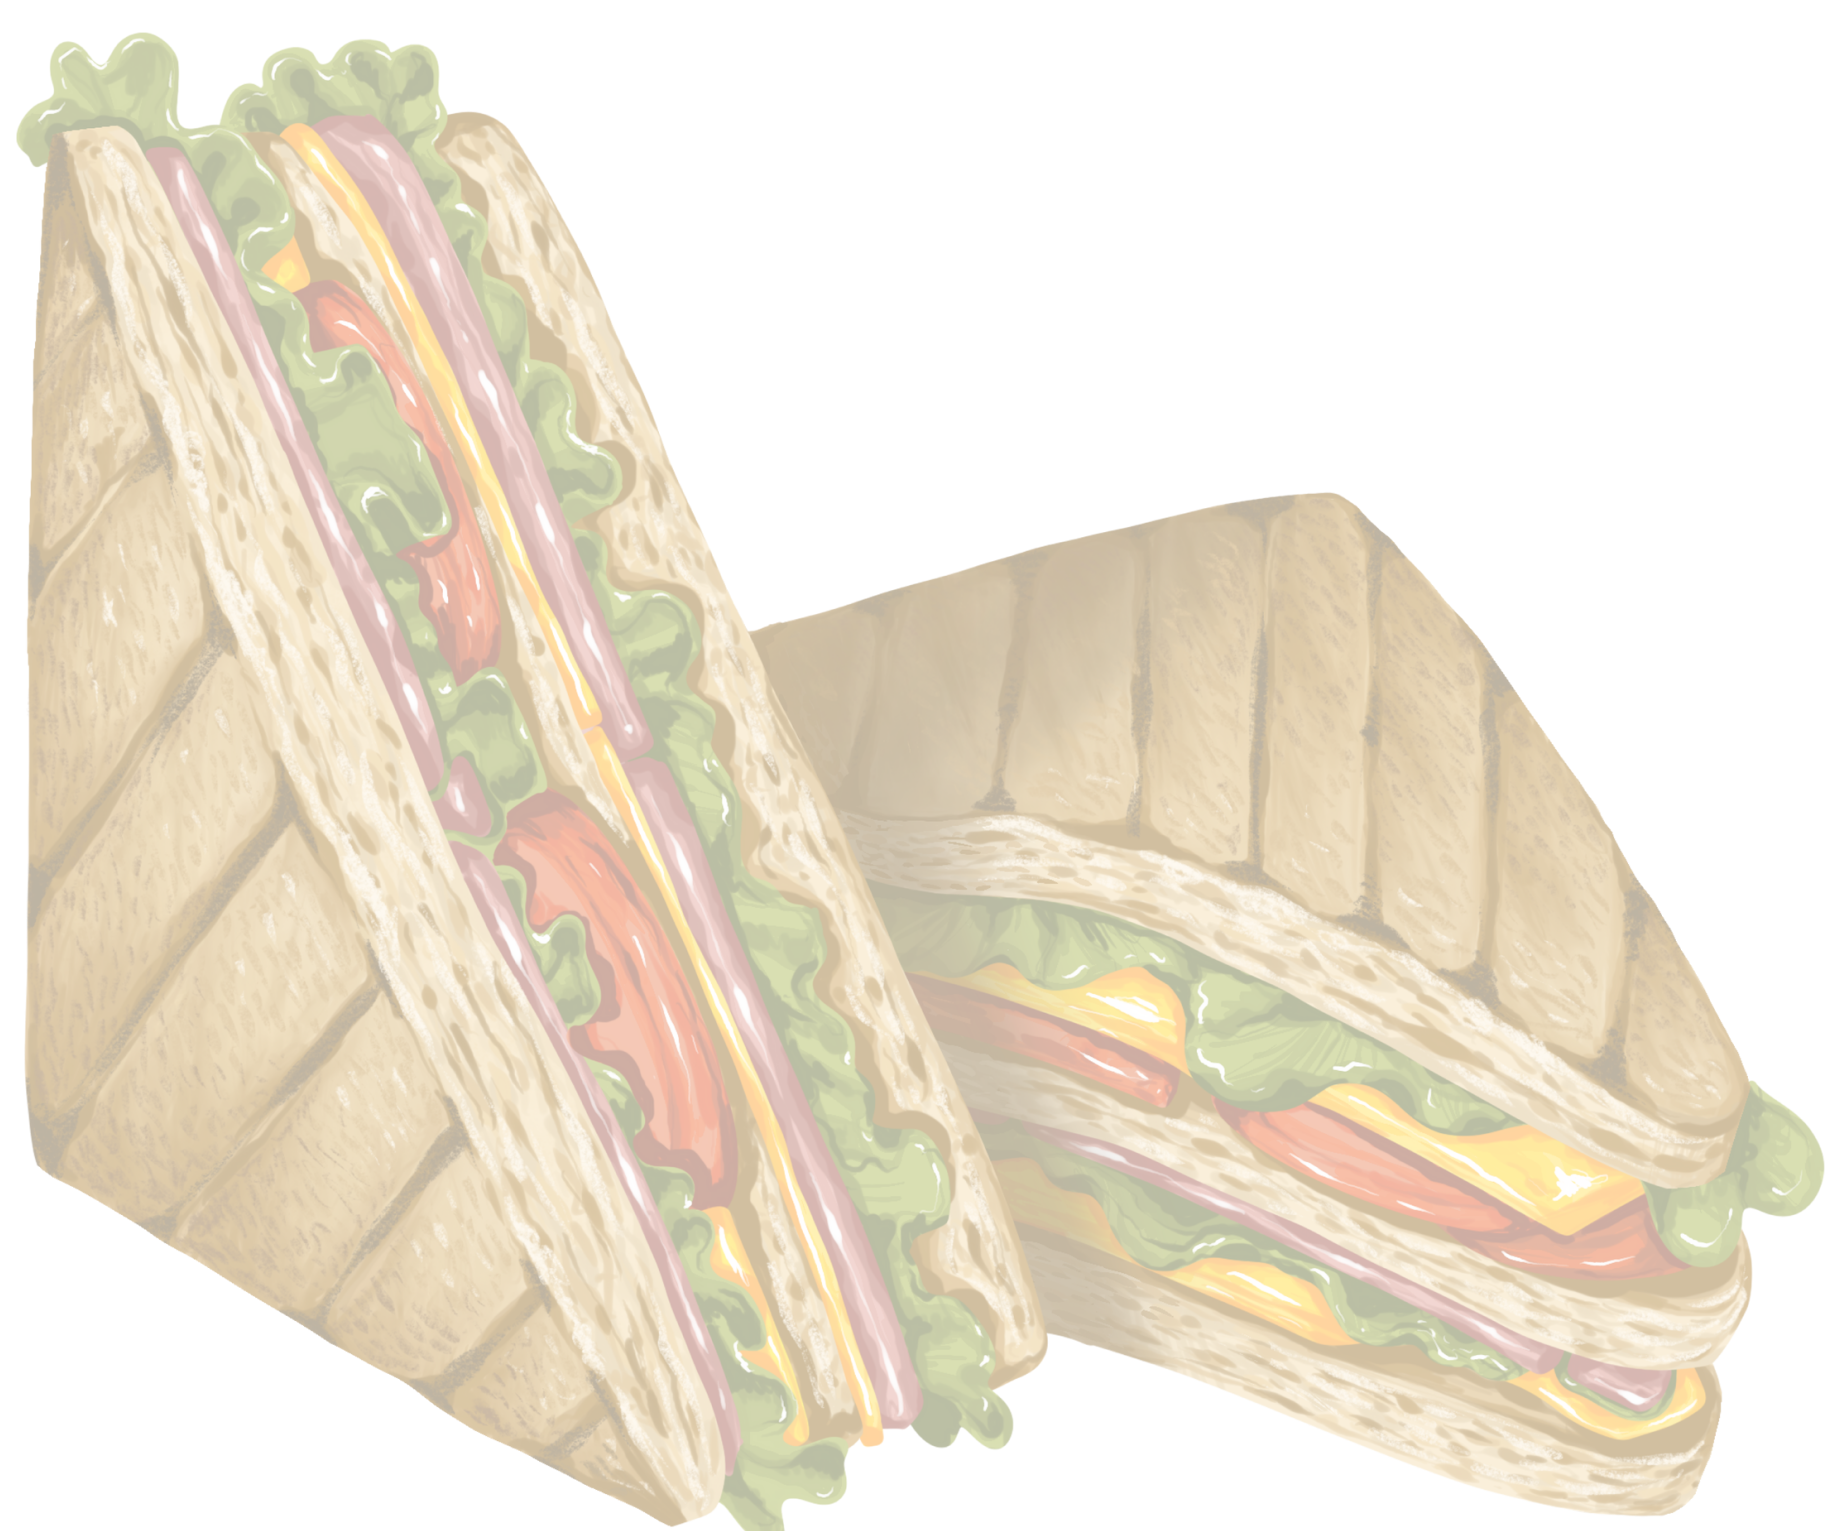

NINJA CAFE

Monday 25 March 2024

Students and staff will have the opportunity to buy home made toasties and smoothie ice lollies. These will be made by our year 12 students, to be sold at break time on Monday.

The Ninja Cafe is in memory of one of our students T-Raj, who we sadly lost back in 2020.

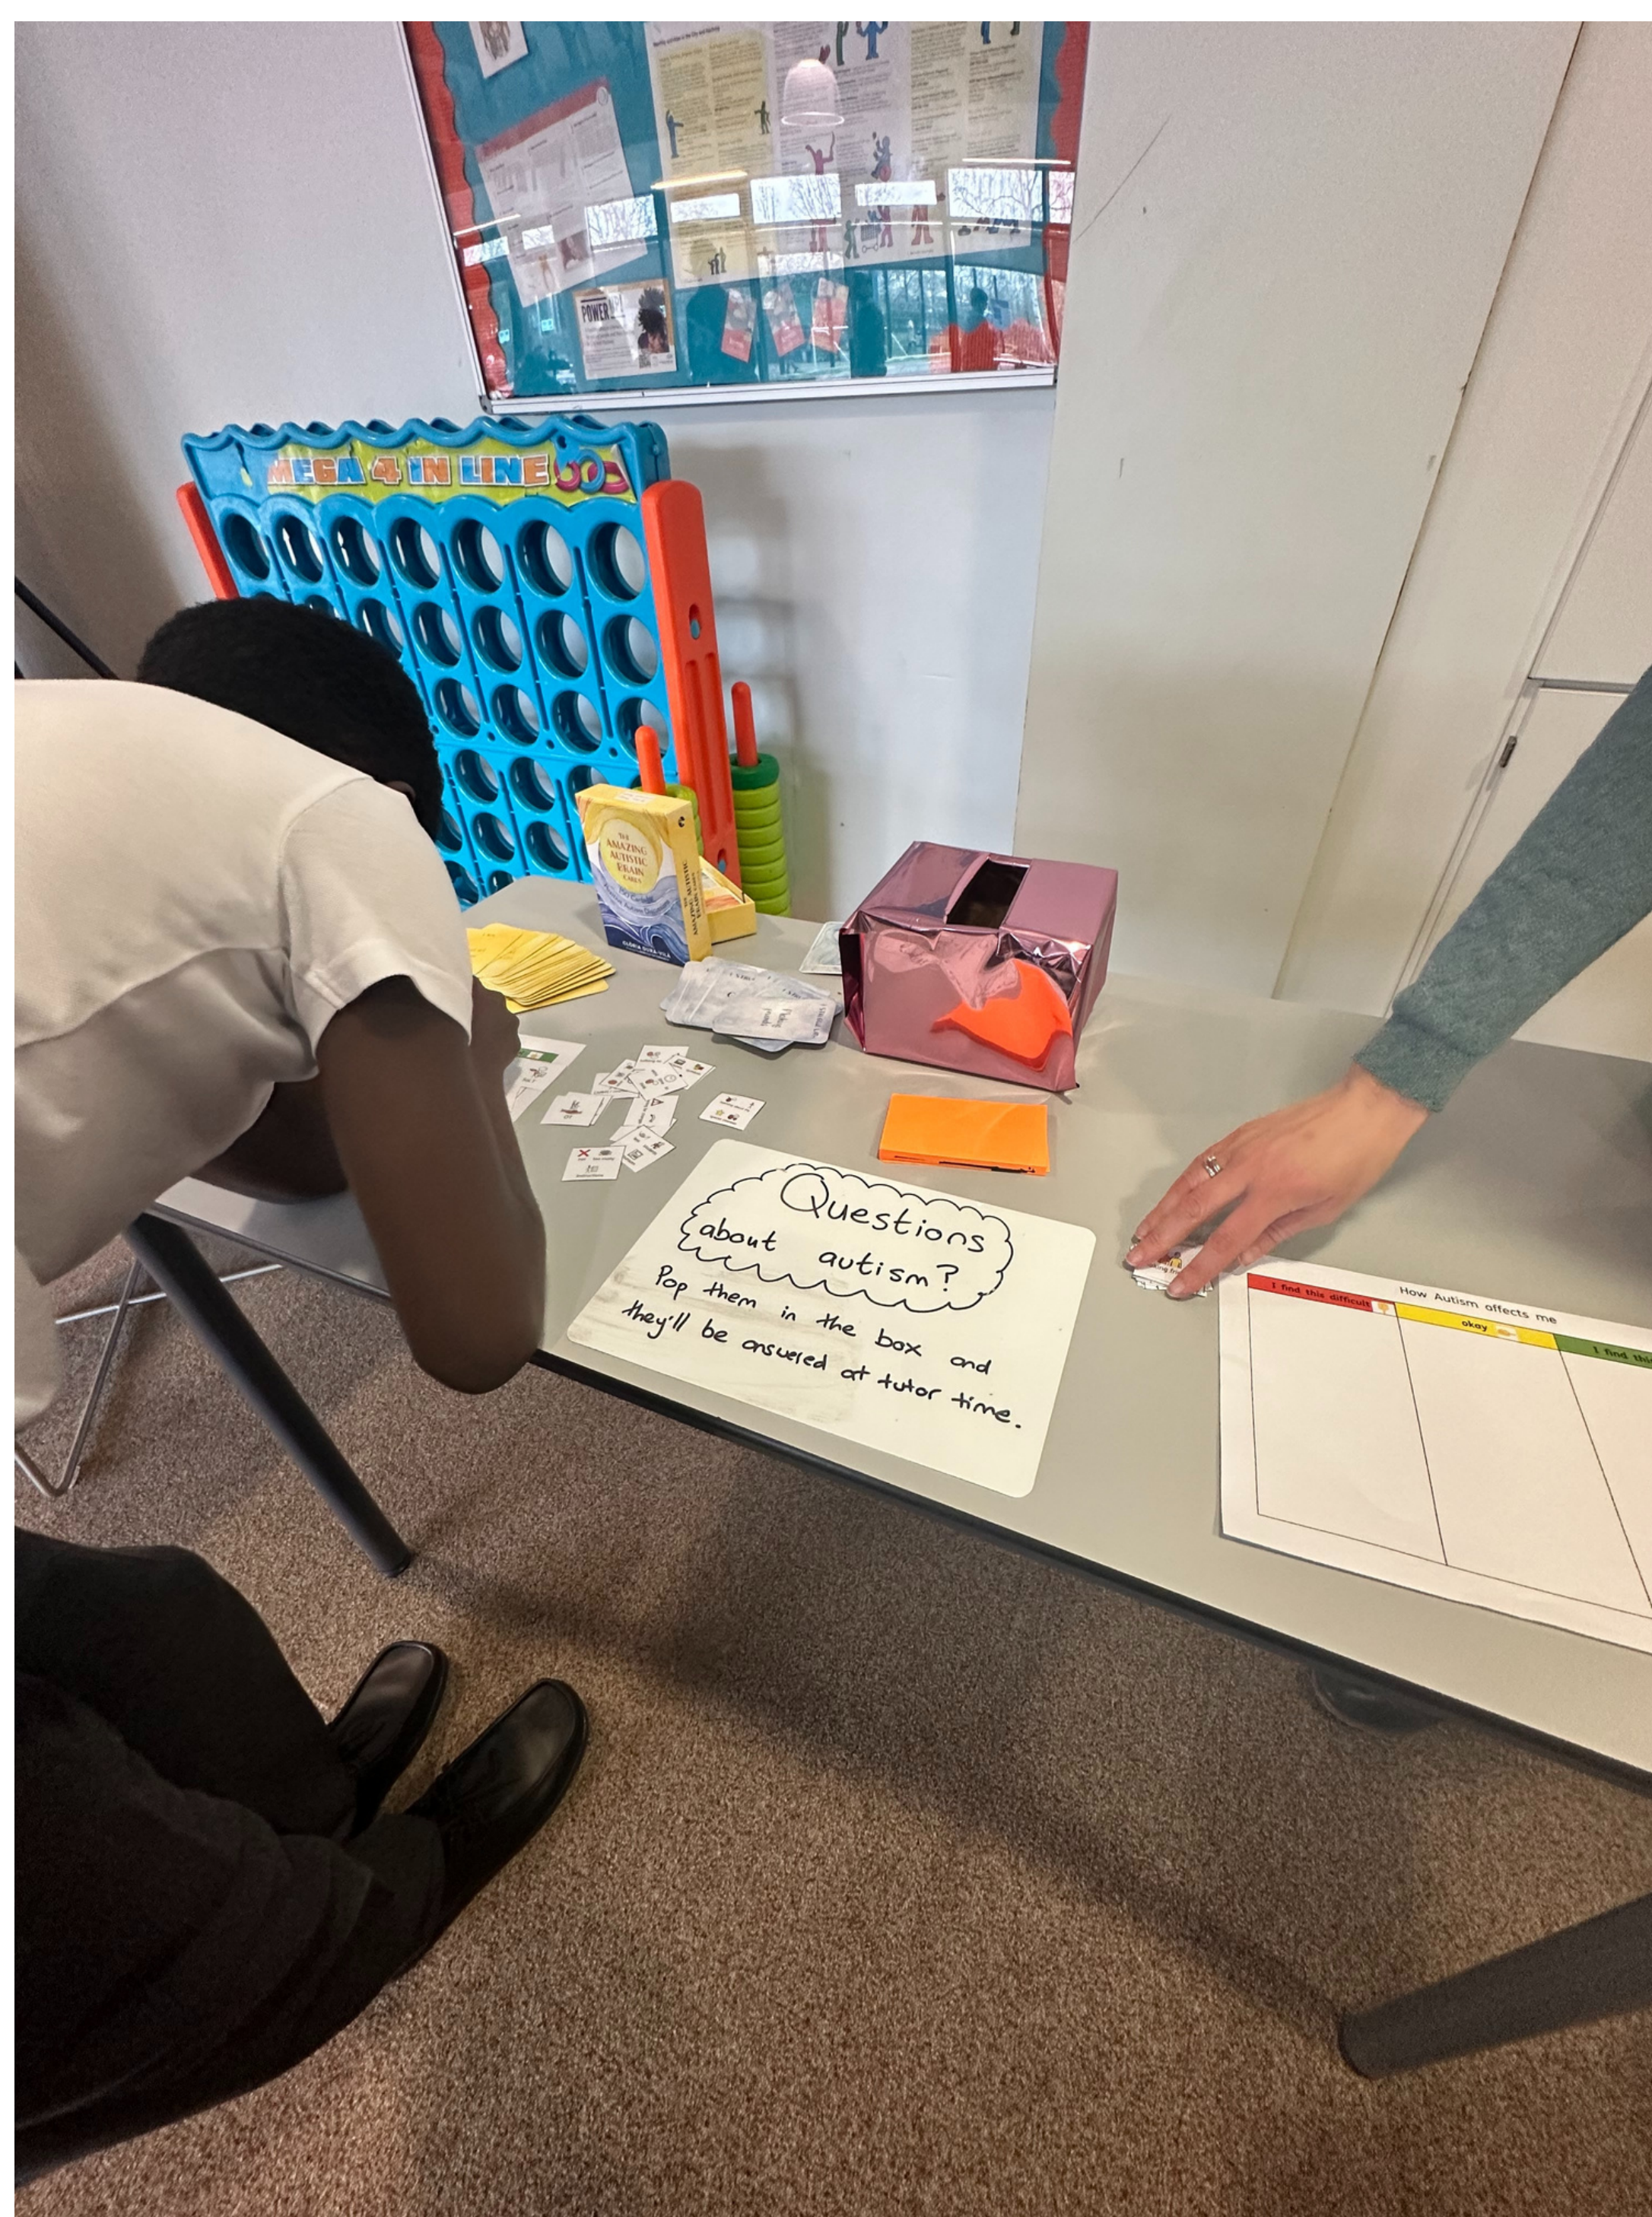

STORMONT HOUSE SCHOOL MATTERS

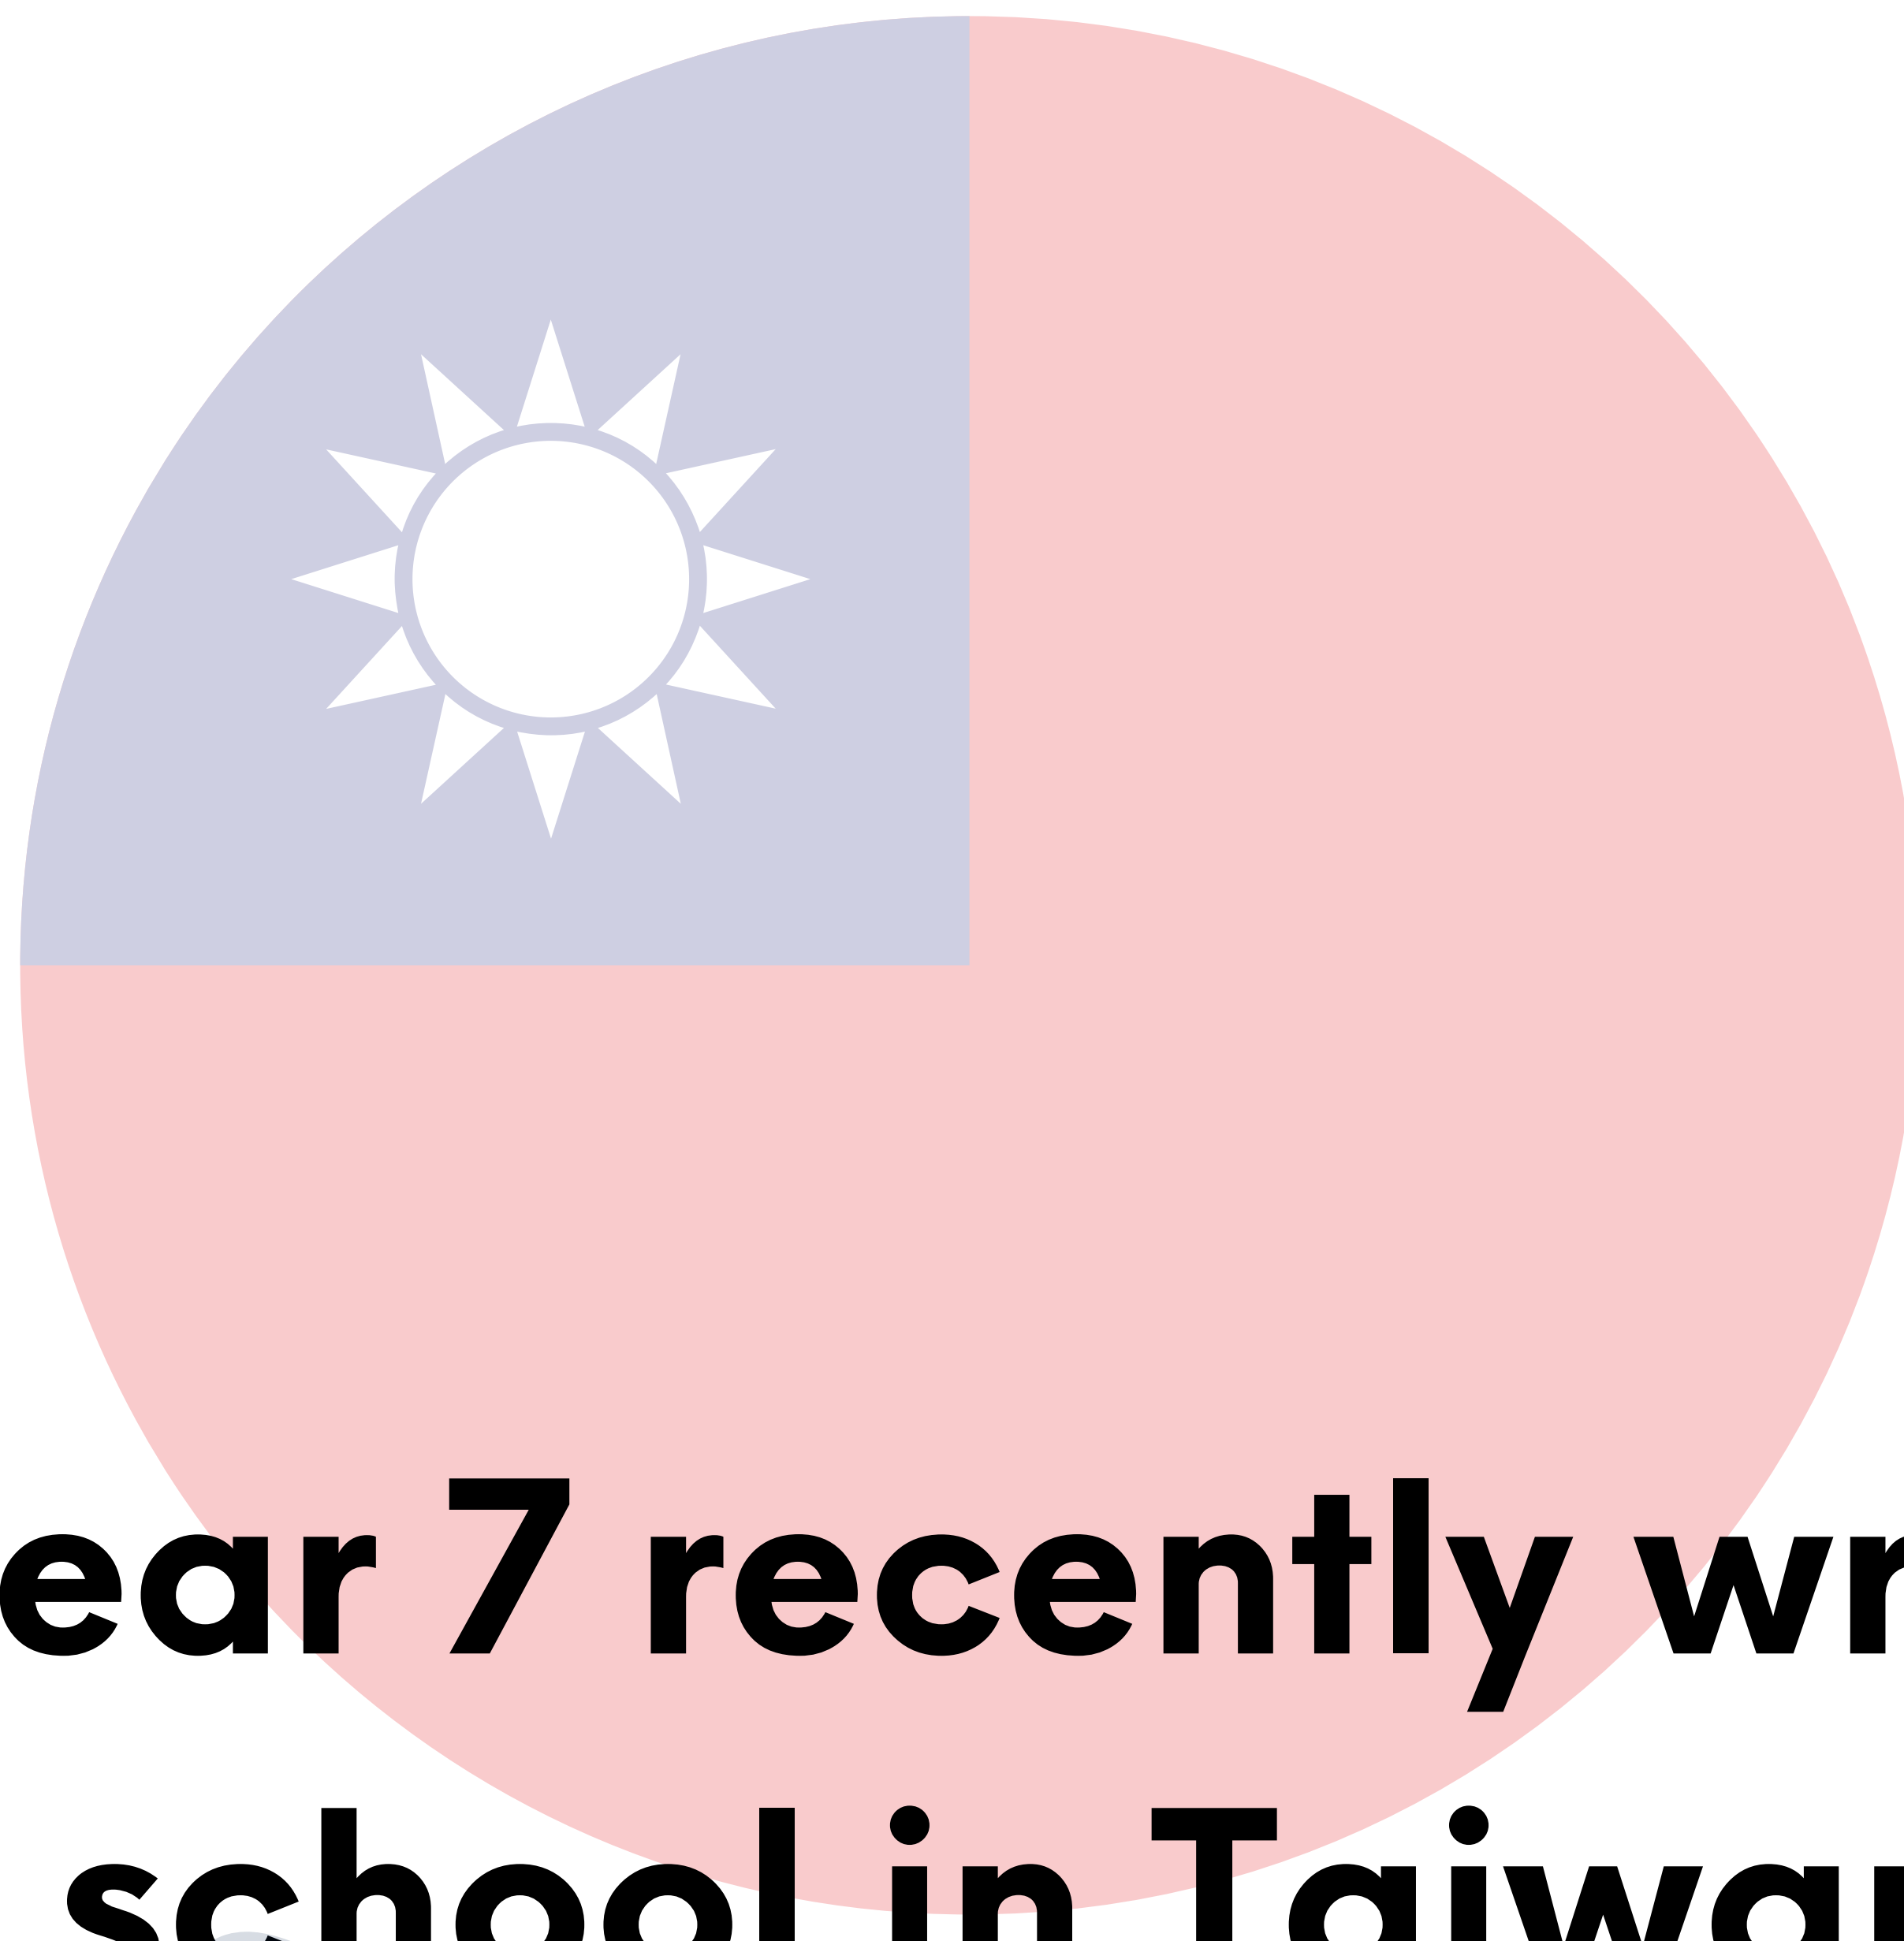

Tuesday 2nd April to Monday 8th April 2024 is World Autism Acceptance Week.

At Stormont we, celebrated World Autism Acceptance Week this week by arranging a variety of activities for students to understand more about Autism and how we can value differences.

STORMONT HOUSE SCHOOL MATTERS

Students in Year 7 recently wrote letters to a school in Taiwan.

This week, as part of the project, we had a video call with them where we were able to ask each other questions about our different schools and cultures.

It was great fun and something we hope to try and do again!

STORMONT HOUSE SCHOOL MATTERS

'KNOW YOUR ONIONS'

A number of our students are participating in the 'Know your Onions' project. The project gives secondary school students an opportunity to try cooking and growing to stimulate an interest in food and a love of the natural world. Students learn to plant fruit and vegetables in their school gardens, which they then sell at their local street market. Along the way, they visit a nearby market garden to see the professionals at work and have a cooking masterclass with tasty vegetable dishes. Last Friday our students benefited from a visit from an expert horticulturalist who helped students to sow seeds to begin the growing season.

Green Wheels - Leaside

Learn to cycle for free!!

Last year, the Hackney Ark worked on a project with London cycling campaign to encourage families from Hackney Ark to learn how to cycle. The project finished, but they have managed to secure funding to continue the project and we want to encourage as many children with SEND and their families to participate and learn to cycle (for free!)
