## Easter Assembly

On Thursday 24 March Year 7 performed the 'Easter Play' to the whole school. Ms Motin was very pleased with the students performance, they had worked hard over the previous few weeks so that they could be word perfect on the day of the performance. Despite a last minute cast change the assembly went off without a hitch. The performance was well received by the audience of students, staff and parents / carers. Mr McDonnell praised all of the students for their hard work in taking part in this school tradition.

## Duke of Edinburgh Award

### Practise Expedition

On Thursday 7<sup>th</sup> April a selected few year 12 students were invited to take part in an extra Duke of Edinburgh training day held in Epping Forest. The focus of the day was developing orienteering skills in preparation for the students qualifying expedition that took place this week.

All students showed signs of understanding basic map reading skills including knowing the difference between different public rights of way, understanding other public access and different vegetation symbols. Students also learnt how to pace 100 metres.

The weather was damp and the ground was muddy, but this did not put any of the students off facing the real challenge of the qualifying expedition.
