Christmas Celebrations 2015

The Christmas festivities at Stormont House School included a whole school Christmas dinner with guests from Williams Lea Ltd (our mentoring partners), members of the school governing body and external professionals. The meal was followed by a disco which for many was the highlight of the celebrations - even the coolest students were seen dancing along to the music. On 18 Friday December the pupils attended the annual Carol Service - several parents came along to see their children performing. The students had a buffet lunch which was served to them by the members of staff. Once this was complete the students all received their Christmas presents from their form tutors before they left for the Christmas holidays. A good time was had by all the students and staff.
