Careers Week

This week it has been National Careers Week and here at Stormont we have had lots of fun careers trips, Careers Assembly, Alumni talks and lessons to help our students explore the world of work.

We started the week with an amazing talk in the Whole School Assembly from Brett one of our Alumni who now has a full-time job at Chessington World of Adventures as a Ride Operator. He gave a fantastic talk about his career journey and gave students the opportunity to ask him questions about his experiences.

On Tuesday 10W and 11A got the opportunity to go to a behind the scenes Visual Effects Insight trip at the new ABBA Voyage Arena. Students got to talk to industry professionals from Industrial Light & Magic, who have worked on films like the Harry Potter and Star Wars series. Students also got a preview of the ABBA Voyage live show and got to see ILM's computer-generated clones of the band ABBA, designed to look and sound like their 1979 selves.

On Thursday some of our Year 11's had a visit to BSix for a college tour and over the next few weeks Yr 11 students are visiting various colleges to confirm the college they would like to attend and the course they are interested in for when they go to college in September 2023, as part of the schools Yr 12 programme. Parents/Carers will have the opportunity to say if they agree with the proposed college courses for their child and college open event dates will be shared with Parent/Carers who would like to see the colleges.

Also on Thursday we had another of our Alumni in, Natalie, to talk to Yr 9 about Supported Internships and her Careers Journey. Natalie is now a Co-Trainer for Mencap where she did a Supported Internship herself. She now talks to bug business, like Google, about how their companies can be more inclusive.

On Friday Yr 10, 11 & 12 visited Hackney Picture House to watch the film Rocks and listen to a Careers in Film talk from a film distributor who works for the film distribution company Altitude. The whole event was organised by Into Film.

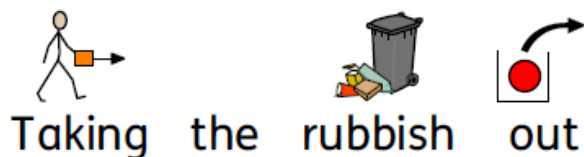

In addition to trips and talks, students have been learning about careers in their curriculum subjects and setting themselves Careers goals in PfA and PSD on their Grofar Careers Passport.

Supporting students' independence at home

In school we work hard to support students' independence. The SALT team would like to share some visuals to support independence with parents at home.

Taking the rubbish out

Done

1. Check the waste and the recycling bins. If they are full,
lift the rubbish bags out of the bin

2. Tie a knot in the top of each rubbish bag

3. Carry the rubbish bags to the outside bins

4. Put the recycling in the green bin. Put the waste in
the black bin

5. Go back inside

6. Put new rubbish bags in the inside bins. Finished!

THE FAMILY COACH SERVICE

WORKING TOGETHER TO SUPPORT
FAMILIES TO FEEL EMPOWERED AND
MAKE POSITIVE CHANGES HAPPEN

WHO WE ARE

Hello!

We are Emily and Rachel, Family Coach's for Hackney!

We have a combined 20+ years experience working with children and families and are committed to empowering families to realise their potential through coaching.

We look forward to answering any questions you may have and working with you soon!

WHAT WE DO

We act as a connection between family home life, school and community.

We aim to provide coaching and mentoring opportunities;

- To support families to identify and talk about changes they would like to make and then find a way forward in their journey.
- To actively listen to families and identify possible workshop opportunities within communities.
- To provide a non-judgemental and confidential space for families.

WHAT IS COACHING?

Coaching is unlocking a person's potential to maximise their own performance through conversation, goal setting and taking action.

OUR SERVICES
