Stormont House School - A Christmas Celebration

On Tuesday 19 December Stormont House School went into full celebration mode with the annual Christmas Dinner. All of the students were very excited to see all of the preparations for this special event. The dinner was attended by many of the external professionals that we work with throughout the year - Williams Lea Mentors / Young Hackney Sports Leaders / MDT Professionals. Everyone was treated to a full Christmas lunch with all of the trimmings followed by a variety of scrumptious desserts. Whilst the meal was taking place the students, staff and guests were entertained by a wonderful magician - Allin Kempthorne who delighted everyone with some wonderful magic. At 2pm the 'surprise' disco took place with DJ Paul Simon playing a wide variety of music. It was an amazing day and everyone had a wonderfully Christmassy time.

Christmas Jumper Day

On Monday 18 December Stormont House School was awash with a wonderful array of Christmas jumpers - the money collected from the day will be added to the total for 'Children in Need'. More pictures from the day can be found on the school web site. The school raised £41.50 for the charity.

A Fond Farewell

Stormont House School is saying a fond farewell to Ms Carter, Mr Adams and Ms Rabess who are all leaving to explore new ventures. Ms Carter has taught at Stormont House for 11 years in this time she has most recently been the PSD Lead and a Year 12 Form Tutor. She will be furthering her career as a SENCO at New City College. Mr Adams came to us as a supply teacher but became a firm fixture as our Literacy teacher 2 days a week he is going to be undertaking a new venture to become an occupational therapist. Ms Rabess started with us in September as a TA and is leaving to undertake a permanent role in another school. We would like to wish them good fortune in all of their endeavours in the future.

Goodbye to Ms Carter from Year 12

Year 12 Christmas Enterprise Project

This term Year 12 have taken part in their Enterprise Project, which is part of their BTEC Workskills. The Year 12's learnt about how to start your own business with lessons in marketing and finance as part of the course. They also designed and made their own products by hand to sell on the stall. The Year 12's chose to make Christmas cards and baked goods to sell at break and lunch time in school for two consecutive Mondays and Tuesdays.

The students made cupcakes, cookies and Gingerbread people on the Friday before their first stall day. Their finished baked goods were of a very high quality and all sold within the first morning of sales. The students were fantastic on the stall taking it in turns each day to set up and take down the stall as well as serving customers with a smile. The Year 12's raised an impressive £140 to be shared between 'Children in Need' and an end of term party for the students.

Term Dates for your Diary

Spring Term Start - Years 7,8,9,10,11
Spring Term Start - Year 12 @SHS

Wednesday 3 January 2018
Friday 5 January 2018
