GOLD STAR SUCCESS - Transport for London STARS Accreditation

STARS - Sustainable Travel; Active, Responsible, Safe

We received news this week from TfL that Stormont House School has achieved 'Gold Level Accreditation' in the TfL STARS programme. Over the last three years our team of ambassadors, aided by Ms Napier, have completed 25 different travel 15 supporting activities and 8 consultation activities. By achieving this accreditation we are among the top 10% of London schools who set high standards to inspire others to transform their travel habits and fully engage with the wider community to promote best practices. The travel ambassadors have worked tirelessly to embed travel themes across the school, including - travel audits and research (a road survey carried out by Year 7 last year), Bicycle Training Day, After School Cycle Club and the independent travel programme. Keep up the good work!

Special Olympics Tennis Star - Lily (Yr. 12)

Lily (Year 12) had terrific success in the Special Olympics Great Britain National Summer Games in Sheffield. The event took place over 4 days from 7-12 August. This competition is the country's largest multi-sports event for young athletes with disabilities in 2017. Approximately 2,600 athletes of all ages and abilities from all over the country took part in this amazing event. Lily took part in the Ladies Tennis Singles, she narrowly missed out on the gold position, losing to one of her closest rivals. In the Mixed Doubles competition Lily also achieved a silver medal playing alongside her tennis partner Jonathon. These are outstanding achievements; well done Lily!
