

Panathalon Challenge 2016 - Year 9 Medal Success

On Wednesday 27 January, our Year 9 students plus Tauronraj and Bedirhan from Year 7 took part in the East London Heat Two of the Panathalon Challenge. This competition was a multi - sport event at Langdon Academy and included students from Hackney, Islington, Newham and Tower Hamlets. Our students were chosen to represent Hackney borough.

The competition took place over the whole day, our students competed really well in all of the events which included: Boccia, Table Cricket, Kurling, Polybat, Athletics / Field and Athletics / Races. At the end of the event Hackney finished in second place behind Newham. Mr Hajdrych was very impressed by everyone's competitive spirit, the students were fantastic representatives of the Stormont House ethos.

On Friday 18 March 2016 our students will be competing in the East Final / Multi-Sports Plate and Champions competition at UEL Sports Dock. We wish them all the best in this competition.

Uniform Update

Mr McDonnell would like to congratulate everyone for their positive response to wearing the correct uniform and adhering to the school code. It is really important that this standard is maintained. Weekly checks on uniform will continue to take place. Keep up the good work everyone.

Stormont House Hospital - Looking Back 100 Years

Year 7 have had a very special week. They have become the Stormont House Team of designers working on an exhibition project with Hackney Museum and Archives and the 5th World Theatre Company. The students have been learning about life at Stormont House 100 years ago when the school was made into a hospital for injured soldiers in World War One. Using the medium of learning through drama 7M and 7D have met soldiers, nurses and doctors from the Stormont Hospital and developed their own exhibition to be displayed at Hackney Museum and Hackney Downs Park Pavilion.

Year 7 would love you to visit the museum to see their project in April / May 2016! We hope to create more projects working with Hackney Museum for other year groups in the near future...
