

Year 7 Home Learning Activities

PE

Topic: Indoor rowing and dance

Suggested ideas for home:

Students could go rowing at Finsbury park boating lake, they could join a local sports club or practice the dances from lessons at home. They could make their own dance to show-case at school.

Spanish

Topic: My family, pets and my school.

Suggested ideas for

home: Students could use websites to play interactive games linking to topics we do at school and make a poster about their family, pets and school using vocab from lessons.

www.bbc.co.uk/schools/primarylanguages/spanish/

Art & Design

Topic: Aboriginal Art and Australia.

Suggested ideas for home:

students could explore Aboriginal art here: <http://art-educ4kids.weebly.com/aboriginal-art-and-patterning.html>. Can you recreate your own Aboriginal painting using cotton buds and paint – thinking about the animals, the patterns and the colours? Students could also research different types of sharks and Rays here: <http://www.sharktrust.org/>

Useful Websites to support Home Learning Activities

Type the following into your search engine (Google) or similar

Purple mash

Hour of Code

Mathletics

Access all home learning websites via our school website

www.stormonthouse.hackney.sch.uk

Your child has their own login and password.

Please ask your child's class tutor for login in and password codes if needed

STORMONT HOUSE SCHOOL
achievement for all

Year 7 Home Learning Activities

Spring Term 2017

Year 7 Home Learning Activities

English /Literacy

Topic: Famous Ancient Greek stories

Suggested ideas for home:

Students could read Greek stories and research the gods and goddesses from the stories. They could write their own Greek myth story and look at web-sites such as bbc.co.uk which have Greek stories online to read.

Maths

Topic: Time and Money

Suggested ideas for home:

Time some of your child's favourite activities to help them connect with the passage of time – do some baking together and set the oven timer, announce that their programme will be on the TV in 10 minutes and set an alarm or stopwatch.

Practice counting up in 5, will help when learning to read the clock and as a revision of the 5 times table.

When you go shopping, give your child some money and let them find something that they can buy with that small amount of money. If there is change, work out together how much change they get.

PSHCE

Topic: The jobs people do

Suggested ideas for home: Talk with your child about jobs that interest them and about jobs people do in your family. Set up a shop, café, post office at home for your child to role play some of the ideas we discuss in lessons. Let your child help with household chores.

Year 7 Home Learning Activities

Science

Topic: Living things and survival

Suggested ideas for home:

Visit the river Lee to look at habitats, or Hackney City Farm to see how the animals live and survive during winter, or make a poster to classify living and non living things and what a living thing needs to survive.

DT

Topic: Middle Age Shields and Design a soft drink

Suggested ideas for home: Look at a can of drink or at home and look at the material it is made from. Examples: play shields, cans of coke, sprite etc... You could try add shading and colour or draw it up in PowerPoint.

Music

Topic: The Story of Easter

Suggested ideas for home:

Research pictures showing the last week of the life of Jesus. Visit a church to look at the images of Jesus in the stained glass windows and around the church.

Food Tech/cooking

Topic: What can we make with vegetables?

Suggested ideas for home:

Help your family with the weekly shop and cooking at home. Try a new food you can tell the class about.

Year 7 Home Learning Activities

ICT/ CODE

Topic:

Digital Expression: Animation, graphics, sound, game content, storytelling, Blogging and video.

Learning and training to complete set tasks using Office software and the learning Platform.

Suggested ideas for home:

Set up your own blog using the school website, make an animation to share via the school website. Practice using office software to design pages you can add to the school e-learning website platform.

Humanities

Topic: The Ancient Greeks and The Easter Story

Suggested ideas for home:

Research and revise the names of Greek Gods and Goddesses, read some story books about the Greeks. Make a poster or little book about the Greeks, visit the British Museum to see Ancient Greek artifacts. Visit a Christian church to see the stained glass window stories that link to the Easter story. Design your own Easter egg.
