

## 11B Curriculum Leaflet

### Autumn 1

Form tutor: Ms. Bennett

Teaching assistants: Mr. Menhellen

Tutor Time Focus: Leadership and responsibility in Year 11.

Getting ready for college

Preparing for Exams

## English

### We will be learning about:

Non-fiction texts with every-day real life application. We will be introduced to functional skills assessments in reading, writing, and speaking and listening, with a particular focus on reading this half term.

## Maths

### We will be learning about:

Continuing with the GCSE modules for Edexcel, the students will be focusing on Integers and place value, Calculator Skills/Rounding, Decimals, Special Numbers - Squares/Cubes.

## Science

### We will be learning about:

This term, Year 11 students are studying physics topics for the entry level GCSE qualification. They will study key concepts such as forces and motion, energy transfers, waves, electricity, and magnetism. Students will learn how to apply formulas, interpret data, and understand real-world physics applications. This course prepares them for exams by building a solid understanding of fundamental physics principles.

## History

### We will be learning about:

History WJEC Unit - Britain and the Second World War 1939-1945

The Outbreak of War

Evacuation

Coping with the Blitz

Comparing life during the Blitz to today's society:

Rationing and health

## Computing

### We will be learning about:

In computing, we will begin with our acceptable use and code of conduct lessons, ensuring all students understand what is expected of them using devices in school. As part of our Digital Citizenship topic we be consistently referring to how to be safe online, with lessons on privacy, scams, fake news and how to report inappropriate content.

## Personal & Social Development

### We will be learning about:

The qualification we are working towards is a BTEC Award/ Certificate in Personal Growth & Wellbeing. We are doing an assignment on 'Understanding Sexual Health & Wellbeing' – a compulsory topic advised by the DfE.

## Preparation for Adulthood

### We will be learning about:

Reflecting on progress over the past year

Thinking about how to improve our health and look after ourselves

Research career options.

Prepare for our annual review
