We will create ideas for story characters and backgrounds

Home Learning Opportunities

English – Encourage your child to read when they can. If your child is reading a book at home, ask them to bring the book in as they can be given the opportunity to read and share it with the class. Continue to use Lexia.

Maths – Encourage your child to find simple fractions of shapes and amounts. Using words share as “sharing” ask your child to divide some of larger amounts between different groups at home. Continue to use Mathletics.

PE – Ask your child to complete some of the exercises that they have been doing in their PE Lessons.

Computing – Give your child the opportunity to access online resources and platforms under supervision.

Art

We will be learning about: Structures 3D Mixed Media Project (Clay, plaster, Modroc, card, paper, straws, wood, found objects, wire)

Exploring contextual work – artists and visits, internet research as starting points for project. Respond to artists – explore materials and techniques.

Plan, produce and evaluate final outcome Working towards the UAL Level 2 Award.

Music

We will be learning about:

Practical music making:

Listening to diverse musical styles , practising and composing and original piece of music. Playing a tuned instrument keyboard/xylophone. Reading and playing music from notation

Music Technology:

Developing soundtracks and manipulating sound using a digital platform

PfA

We will be learning about: Money management

What are my plans for accessing money in the future?

What financial target might I have?

Could I stick to a budget?

Events this half term

GCSE English Language – 23rd May and 6th June
