

## 12W Curriculum Leaflet

### Summer

**Form tutor:** Ms. Wallis

**Teaching assistants:** Ms Jannat

**Tutor Time Focus:**

We will be developing our strategies for -

- self-regulation
- strategies for improving own learning skills + building self-worth
- strategies for improving adaptability and resilience: spotting the 'opportunities' & reframing 'setbacks'.

## English

**We will be learning about:**

Our final reading and writing assessments in Entry Level and Level 1/2 Functional Skills English.

- Reading and comparing a range of types of non-fiction texts
- Writing a range of types of non-fiction texts for different purposes and audiences

Regular independent reading and working towards individual writing targets.

Reflecting on the year's progress.

## Maths

**We will be learning about: Functional Skills Maths - Data**

Read and draw simple charts and diagrams including a tally chart, block diagram/graph

Interpret information, to make comparisons and record changes, from different formats including bar charts and simple line graphs

Sort and classify objects using two criteria

Extract information from lists, tables, diagrams and charts and create frequency tables

Organise and represent information in appropriate ways including tables, diagrams, simple line graphs and bar charts

## Workskills

**We will be running our Spring Pop-Up Café**

**We will:**

Complete our BTEC assignment - Unit 2: Participate in Job-Related Activities

- the demands of a BTEC assignment – which must be a) our own work, and b) handed in by the deadline.
- To consider the experience & skills demonstrated in the Pop-Up Café & how they can be expressed/used at interview

## Enterprise

**We will be learning about:**

- the practical steps involved in working with others;
- how to develop our 'people skills' for front-facing customer service;
- the demands of a BTEC assignment – which must be a) our own work, and b) handed in by the deadline.

## Computing

**We will be learning about:**

In this half term, we are recapping and finishing off pieces of coursework in order to attain our computing accreditation. When we have submitted our learning, we will start to work on individual end of year projects that will build upon the skills we have been developing over the last year.

## Duke of Edinburgh

- To practise putting up the tent + explain how the 'pairing' for the tents works
- To understand how a compass works + practise using one;
- To know the cardinal directions.
- To explore food for 'the Practical': students identify what they would have for breakfast, lunch, dinner, & snacks.
- To go on the practice expedition

## Creative Industries

**We will be making: "Draw your self as... "Zine**

- Introduction to illustration
- Make a splodge comic
- Make your own splodges
- Sketching locations from toys
- Develop characters

## Home Learning Opportunities

English – Encourage your child to read when they can. If your child is reading a book at home, ask them to bring the book in as they can be given the opportunity to read and share it with the class. Continue to use Lexia, as well as completing functional skills past papers.

Reading and discussing news articles of interest (<https://www.bbc.co.uk/newsround>)

<https://www.bbc.co.uk/teach/skillswise>

<https://www.bbc.co.uk/bitesize/subjects/zmqj2nb>

Maths – Encourage your child to find simple fractions of shapes and amounts. Using words share as “sharing” ask your child to divide some of larger amounts between different groups at home. Continue to use SumDog and complete Functional Skills Exam practice papers

Computing – Give your child the opportunity to access online resources and platforms under supervision.

## PfA

### **We will be learning about: Preparing for our Celebration Event**

We will work on documenting the students’ experiences of Year 12 through photographic evidence.

We will practice for the Leavers event.
