

7NG Curriculum Leaflet

Summer 1

Form tutor: Ms. Ngo

Teaching assistants:

Mr. Johnson, Mr.
Ramphul/Ms.Knight

Tutor Time Focus:

We will be using tutor time to develop out social interaction skills, such as taking turns and playing as part of a team.

English

We will be learning about:

Fantastic Mr Fox

In depth reading of Fantastic Mr Fox.

We will look at:

- Where the story is set
- The different characters
- The emotions the characters have
- What the characters are thinking
- Write a summary and a review

Maths

We will be learning about:

Position and Direction

We will be learning about positioning, movement and turns. We will be able to recognise positional language (on, above, beneath, next to etc) and describe movements and turns.

Place Value

We will be learning about place value of numbers and counting forwards and backwards, making our numbers, comparing numbers and partitioning them.

Science

We will be learning about:

Acids and Alkalis

We will be defining acids and alkalis, and identifying different acids or alkalis found in household items. We will be using the pH scale to explore the strengths of acids and alkalis and will make cabbage water to create our own PH indicator.

Humanities

We will be learning about:

Norman Britain

- The Battle of Hastings
- When was Norman Britain
- What was life like in Norman Britain – castles; feudal system; rulers; food; houses

Rivers/Local Area

- Visit Stratford Canal – look at river parts; bridges; canals
- Understand why rivers are important

Computing

We will be learning about:

In this half term, students are going to learn about being a digital citizen and how to collaborate within online spaces. We will use Minecraft to help engage the students, work together and problem solve.

Personal Social Development

We will be learning about:

Healthy Bodies, Healthy Minds

- What a healthy diet would look like.
- The benefits of keeping active physically and mentally
- The importance of mental health
- Personal hygiene
- The importance of shared experiences
- The importance of learning or mastering something.

Spanish

We will be learning this term about clothes and describing what we are wearing. We will then learn about how to describe the weather in Spanish and talk about our favourite weather and make links between different weather and the clothes we would wear.

PE

We will be learning about:

Cricket

- Catching and throwing the ball with control and coordination
- To throw a ball under arm and over arm when fielding
- To bowl using over arm and under arm throws
- To bat with control

Football

- To pass/receive the ball.
- To dribble and shoot
- To attack/defend

Design Technology

We will be making: "Draw your self as... "Zine

- Introduction to illustration
- Make a splodge comic
- Make your own splodges
- Sketching locations from toys
- Develop characters

Home Learning Opportunities

English – Encourage your child to read when they can. If your child is reading a book at home, ask them to bring the book in as they can be given the opportunity to read and share it with the class. Continue to use Lexia.

Maths – Encourage your child describe where items are in their house/on their journeys in the community. Talk about directions and where you are going (use left/right). Continue to use SumDog at home.

PE – Ask your child to complete some of the exercises that they have been doing in their PE Lessons.

Computing – Give your child the opportunity to access online resources and platforms under supervision.

If your child completes anything that they would like to share with the class, please send it in with them.

Art

We will be learning about:

Aboriginal Art

- Know what an aboriginal symbol is
- Design and draw a shark
- Make sharks using papier-mâché
- Paint shark using aboriginal symbols

Music

We will be learning about:

Singing

- Singing in a group
- Performing confidently
- Learning a song by heart for the Hackney music festival
- Attend the Hackney music festival
- Learn songs from the musical Oliver

Preparing for Adulthood

We will be learning about

Preparing for our PCAR

To understand the importance of expressing our views and opinions during my Annual Review

Preparing for Independent Travel

To understand how to navigate roads safely and the pros and cons of being independent travellers.
