PE

We will be learning about:

Badminton – We will learn to perform forehand and backhand swings, We will practice forehand and backhand serves and play a badminton game. We will take part in badminton activities using the correct grip and understand the ready position.

Athletics – We will do 60 meters sprint races. We will understand the rules and take part in a relay race. We will perform Shot Put and Javelin and follow 3 golden rules of throwing. We will perform the long jump

Food Technology

We will be cooking:

Jamaican Patties

Fajita Chicken Fried Rice

Puff Pastry Savoury Tarts

Fruit Salad

Fruit Smoothies

We will be focusing on hygiene and safety in the kitchen this term as well as looking at the nutrition of the food we are cooking.

Home Learning Opportunities

English – Encourage your child to read when they can. If your child is reading a book at home, ask them to bring the book in as they can be given the opportunity to read and share it with the class. Continue to use Lexia.

Maths – Encourage your child to work out how to get to where you are going when you are making journeys. Continue to use Mathletics.

PE – Ask your child to complete some of the exercises that they have been doing in their PE Lessons.

Computing – Give your child the opportunity to access online resources and platforms under supervision.

If your child completes anything that they would like to share with the class, please take a picture or send it in with your child.

Art

We will be learning about:

Surrealism

Students focus on the art movement of Surrealism and develop their understanding of what Surreal is. They will look at Rene Magritte's work. They will look at metamorphosis and what this is. Students will explore observational drawing and painting and then create a Surreal room in A2.

Music

We will be learning about:

- Creating our own music by pentatonic melodies
- Singing
- Playing
- Improvisation
- Reading from basic rhythm notation

PfA
