Geography Fragile Environments

Climate Change/Global Warming, Ice Caps & Coral, Flooding, Water Pollution, Wildfires, Rain Forests, Examining the causes and consequences of Climate Change on various fragile environments.

English

We will be learning about:

Celebrating Black Voices

We will be looking at a selection of writing by black authors. We will be reading about Nelson Mandela and Rosa Parks in our non-fiction reading.

We will be reading James and the Giant Peach; looking at the characters and the plot and predicting what might happen and comparing that with what does happen as we read the story.

Computing

In computing, we will begin with our acceptable use and code of conduct lessons, ensuring all students understand what is expected of them using devices in school. The focus of this half term is Digital Citizenship and Online safety. The students will learn how to be safe when using computers and the internet, the importance of privacy and what being a good Digital Citizen means.

Maths

We will be learning about:

Place Value

- Smaller and larger
- Consecutive and non-consecutive
- Estimating
- Ordering

Personal & Social Development

We will be learning about:

'Banter or Bullying'

Risky behaviour

Peer pressure off/ online.

Standing up to bullying

Science

We will be learning about:

Inheritance, Evolution and Ecosystems

What is a food chain

What is a food web

The human impact on ecosystems

Adaptations – how have certain animals adapted to their environment

Preparation for Adulthood

Self-Care

'Operation Healthy Sleep' - Students make good choices about a healthy sleep routine

'Operation Online Safety' - Taking care of ourselves online

Students provide evidence of their ability to take responsibility for simple household tasks e.g., tidying bedroom, making own food

PE

We will be learning about:

Basketball and Wheelchair basketball

Show some control and coordination when performing wheelchair basketball and basketball skills.

Including, dribbling, catching and passing & shooting.

FT

We will be learning about:
