

Key Stage 4 Progression Summary 2025

(Where did our Year 11s progress to and what types and levels of course are they following?)

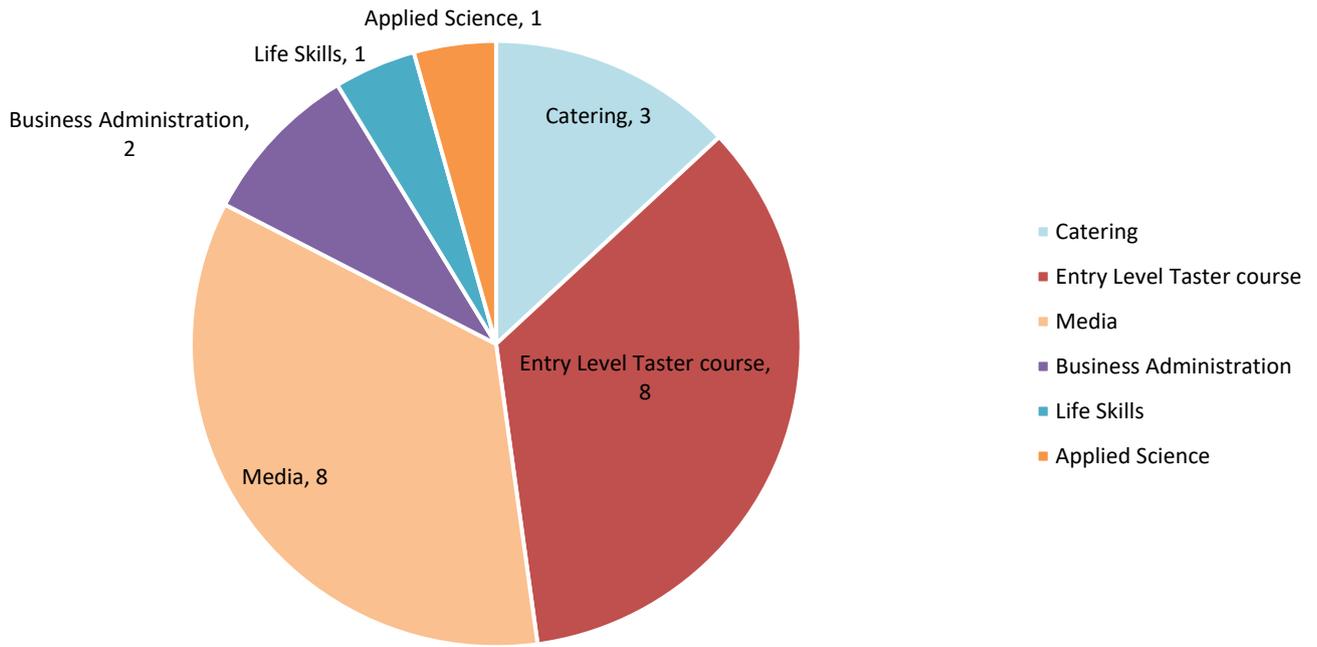

Summary:

- All students have secured onward progression post-16. 22 of the 23 students have progressed to appropriate post-16 courses in Year 12. One student has moved boroughs and is currently undergoing tuition at home whilst their new borough update their EHCP and consult with schools and colleges in that borough.
- 5 of the 23 students have progressed onto appropriate full time courses in colleges and are no longer on our roll.
- School self-evaluation is that these outcomes are consistent with the April 2024 Ofsted judgement that 'Leaders' partnership and quality-assurance work with other sixth-form providers is exceptional'

Course	Level of Course	Provider	Number of students
