Dear Parents and Carers,

I am incredibly proud to write to you as the new Headteacher of Stormont House School.

I love this school. Having been part of the Stormont House community for the past 11 years, I have been lucky enough to work alongside remarkable pupils, passionate staff, supportive families and dedicated governors. I have seen first-hand what makes Stormont House such a joyful and exceptional place.

I have watched pupils grow in confidence, develop their talents and achieve things they never thought possible. I have also seen the strength of partnerships between home and school that help our young people thrive. It is a privilege to now lead a school community that I know, value and care about so deeply.

You are our most important partners, and I know from experience that the best outcomes for children are achieved when we work together. The team and I will continue to build those relationships, listen to your views and work alongside you to support your child's development and wellbeing. We look forward to seeing you at one of our Friends of Stormont events this year!

I am honoured and excited to lead the school into its next chapter and to continue serving the community that has been such an important part of my life for over a decade.

Thank you for your continued support. I look forward to working with you and your family in the years ahead.

Yours sincerely,

Katie Foster

(She/her)

Headteacher

Stormont House School

Last term, 11B's collaborative artwork was selected from over 600 entries to be exhibited at the Origins Creatives Exhibition at The Mall Galleries.

Their batiks looked fantastic! During Art and DT lessons, students across all year groups also created badge designs based on the theme "Your Message to the Planet". These designs were then featured on a customised jacket created by a degree student from the London College of Fashion and displayed as part of the exhibition.
