**A new project has been set up to support families whose children are struggling to get into or stay in school. The project is independent and being funded by Safaplace.**

### Overview of the project

‘We Belong’ is run by parents for parents. People who’ve been through it themselves and know how tough things can get.

We Belong will run once a week for eight weeks in January 2026. Parents will decide the days and times. Together we will share experiences, learn from each other and hear from experts.

We Belong aims to help children improve their wellbeing and to support them back into education

We Belong is for any parent or carer whose child struggles to go to or stay in school.

You can find out more [here](#)

**The Speech and Language Therapy Service are offering a ‘Listening Space’ for South Asian parents of SaLT caseload children. The listening space aims to gain feedback on the speech and language therapy service experience and provide a space for parents to connect with other families in the community.**
