Dear Parents and Carers,

I am writing to ask for your support with an issue that is increasingly affecting many of our young people.

Recently, we have seen a rise in friendship difficulties and incidents in school that have started through social media, online messaging and group chats outside of school. While these interactions happen at home, they can have a significant impact on wellbeing, relationships and learning during the school day.

At Stormont House School, we regularly teach pupils about online safety, healthy relationships and respectful communication. We would be grateful if you could reinforce these messages at home by talking with your child about their online activity and encouraging them to be kind and respectful when communicating online.

You can also help by:

- Monitoring screen time and setting sensible limits.
- Keeping devices out of bedrooms overnight where possible.
- Checking privacy settings and parental controls.
- Taking an interest in the apps, games and group chats your child is using.

Please take a few minutes to read the parental controls poster shared with this message. It contains helpful information about the safety features available on phones, tablets and other devices.

Thank you for your continued support. By working together, we can help our young people build positive friendships, communicate responsibly and stay safe online.

With best wishes,

Katie Foster

TICKETS VIA SKIDDLE

Now in its fourth year, the festival brings the Deaf community together for an accessible day celebrating Deaf culture, creativity and community. More than 200 children joined us in 2025, and this year we're reaching out and opening our doors to more Deaf students and families.

OUR SCHOOL HAS BEEN OFFERED:

- 10 FREE tickets for Deaf students to attend + 20% OFF their accompanying tickets (for parents/guardians)
20% OFF COUPON
- 10 x 20% off for those without free tickets.

If you'd like to be added to the guestlist, please contact the school.
