You're Invited to Monthly
Parent & Carer Coffee
Morning!

Wednesday 04 March 2026

9.15am - 10.30am

7Ng - Mouth That Roars

7Ng began their workshops with Mouth That Roars! They learnt about the different parts of technology used in filming and all got a chance to try out the tech for themselves. They interviewed their friends and got to know the important things to remember when filming.

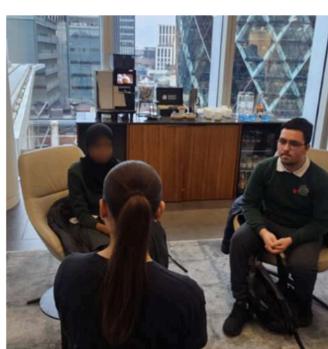

9W - Careers Uncovered @ The Science Museum

9W met professionals from Heathrow Airport, exploring what it is like to do their jobs. There were hands-on activities and interactive exhibits and the students explored a range of different roles. They engaged in wonderful conversations and impressed the professionals with their enthusiasm and skills.

Y11 and Y12 - Take The Lead / The Old Vic @ The Royal Bank of Canada

Y11 and some Y12 took part in their final workshop as part of our Take The Lead Project. They took part in networking workshops and a mock interview with staff from the Royal Bank of Canada and the Old Vic. It was a really exciting day where they were able to put everything they have learned into practice.

Year 10

Internal Work Experience Interviews

Yr10 Work Experience Interviews
From classroom to corporate workspace – with relaxed seating, a 'tie station' & refreshments

Our Year 10 Students Preparing for Success:

On Tuesday, 10th February, the WRL (Work Related Learning) Room, most often used as a classroom, was transformed into a trendy open-plan workspace for eager young candidates awaiting their first job interview.

This was a fantastic opportunity for students to practice their communication skills with either a member of our Senior Leadership Team or one of our SHS School Governors. The feedback was tremendous and we are enormously grateful for this opportunity for our students. Thank you very much to our fabulous four 'interviewers'.

Each student prepared well for their interview and emerged from it with greater confidence – clearly, proud of themselves. Well done, students! Thank you for your efforts! Each and every one of you deserves our congratulations. Congratulations to all the adults who supported our students for this first step into the 'world of work'.

Thank you, too, to our parents who helped with professional dress. First impressions count! And the photos will be used as evidence for future BTEC assignments.

Students' duties will start in the week after half-term.

A. McKell, PSD Lead
