FINAL MESSAGE FROM THE HEADTEACHER

Hello everybody

The day has come for me to say goodbye to our wonderful students as Headteacher of Stormont House School. I wanted to thank you for the support and kindness you have shown me over the years, and, of course, for trusting us with your children. Thank you for the many kind words, cards and even gifts; they mean a lot. It's hard for me to say in a few words how much I have loved being Headteacher here; I really do think I have had the best job in the country. It's hard to say goodbye, but it's the right time to step away as the school is in such good hands.

The students are what make any school, and ours are terrific! I love their kindness and their ability to forgive each other so readily after something has gone wrong. They are so committed to learning, and I am still learning from their unique insights into how they see the world, which would be a far better place if more people grew up with hearts like theirs.

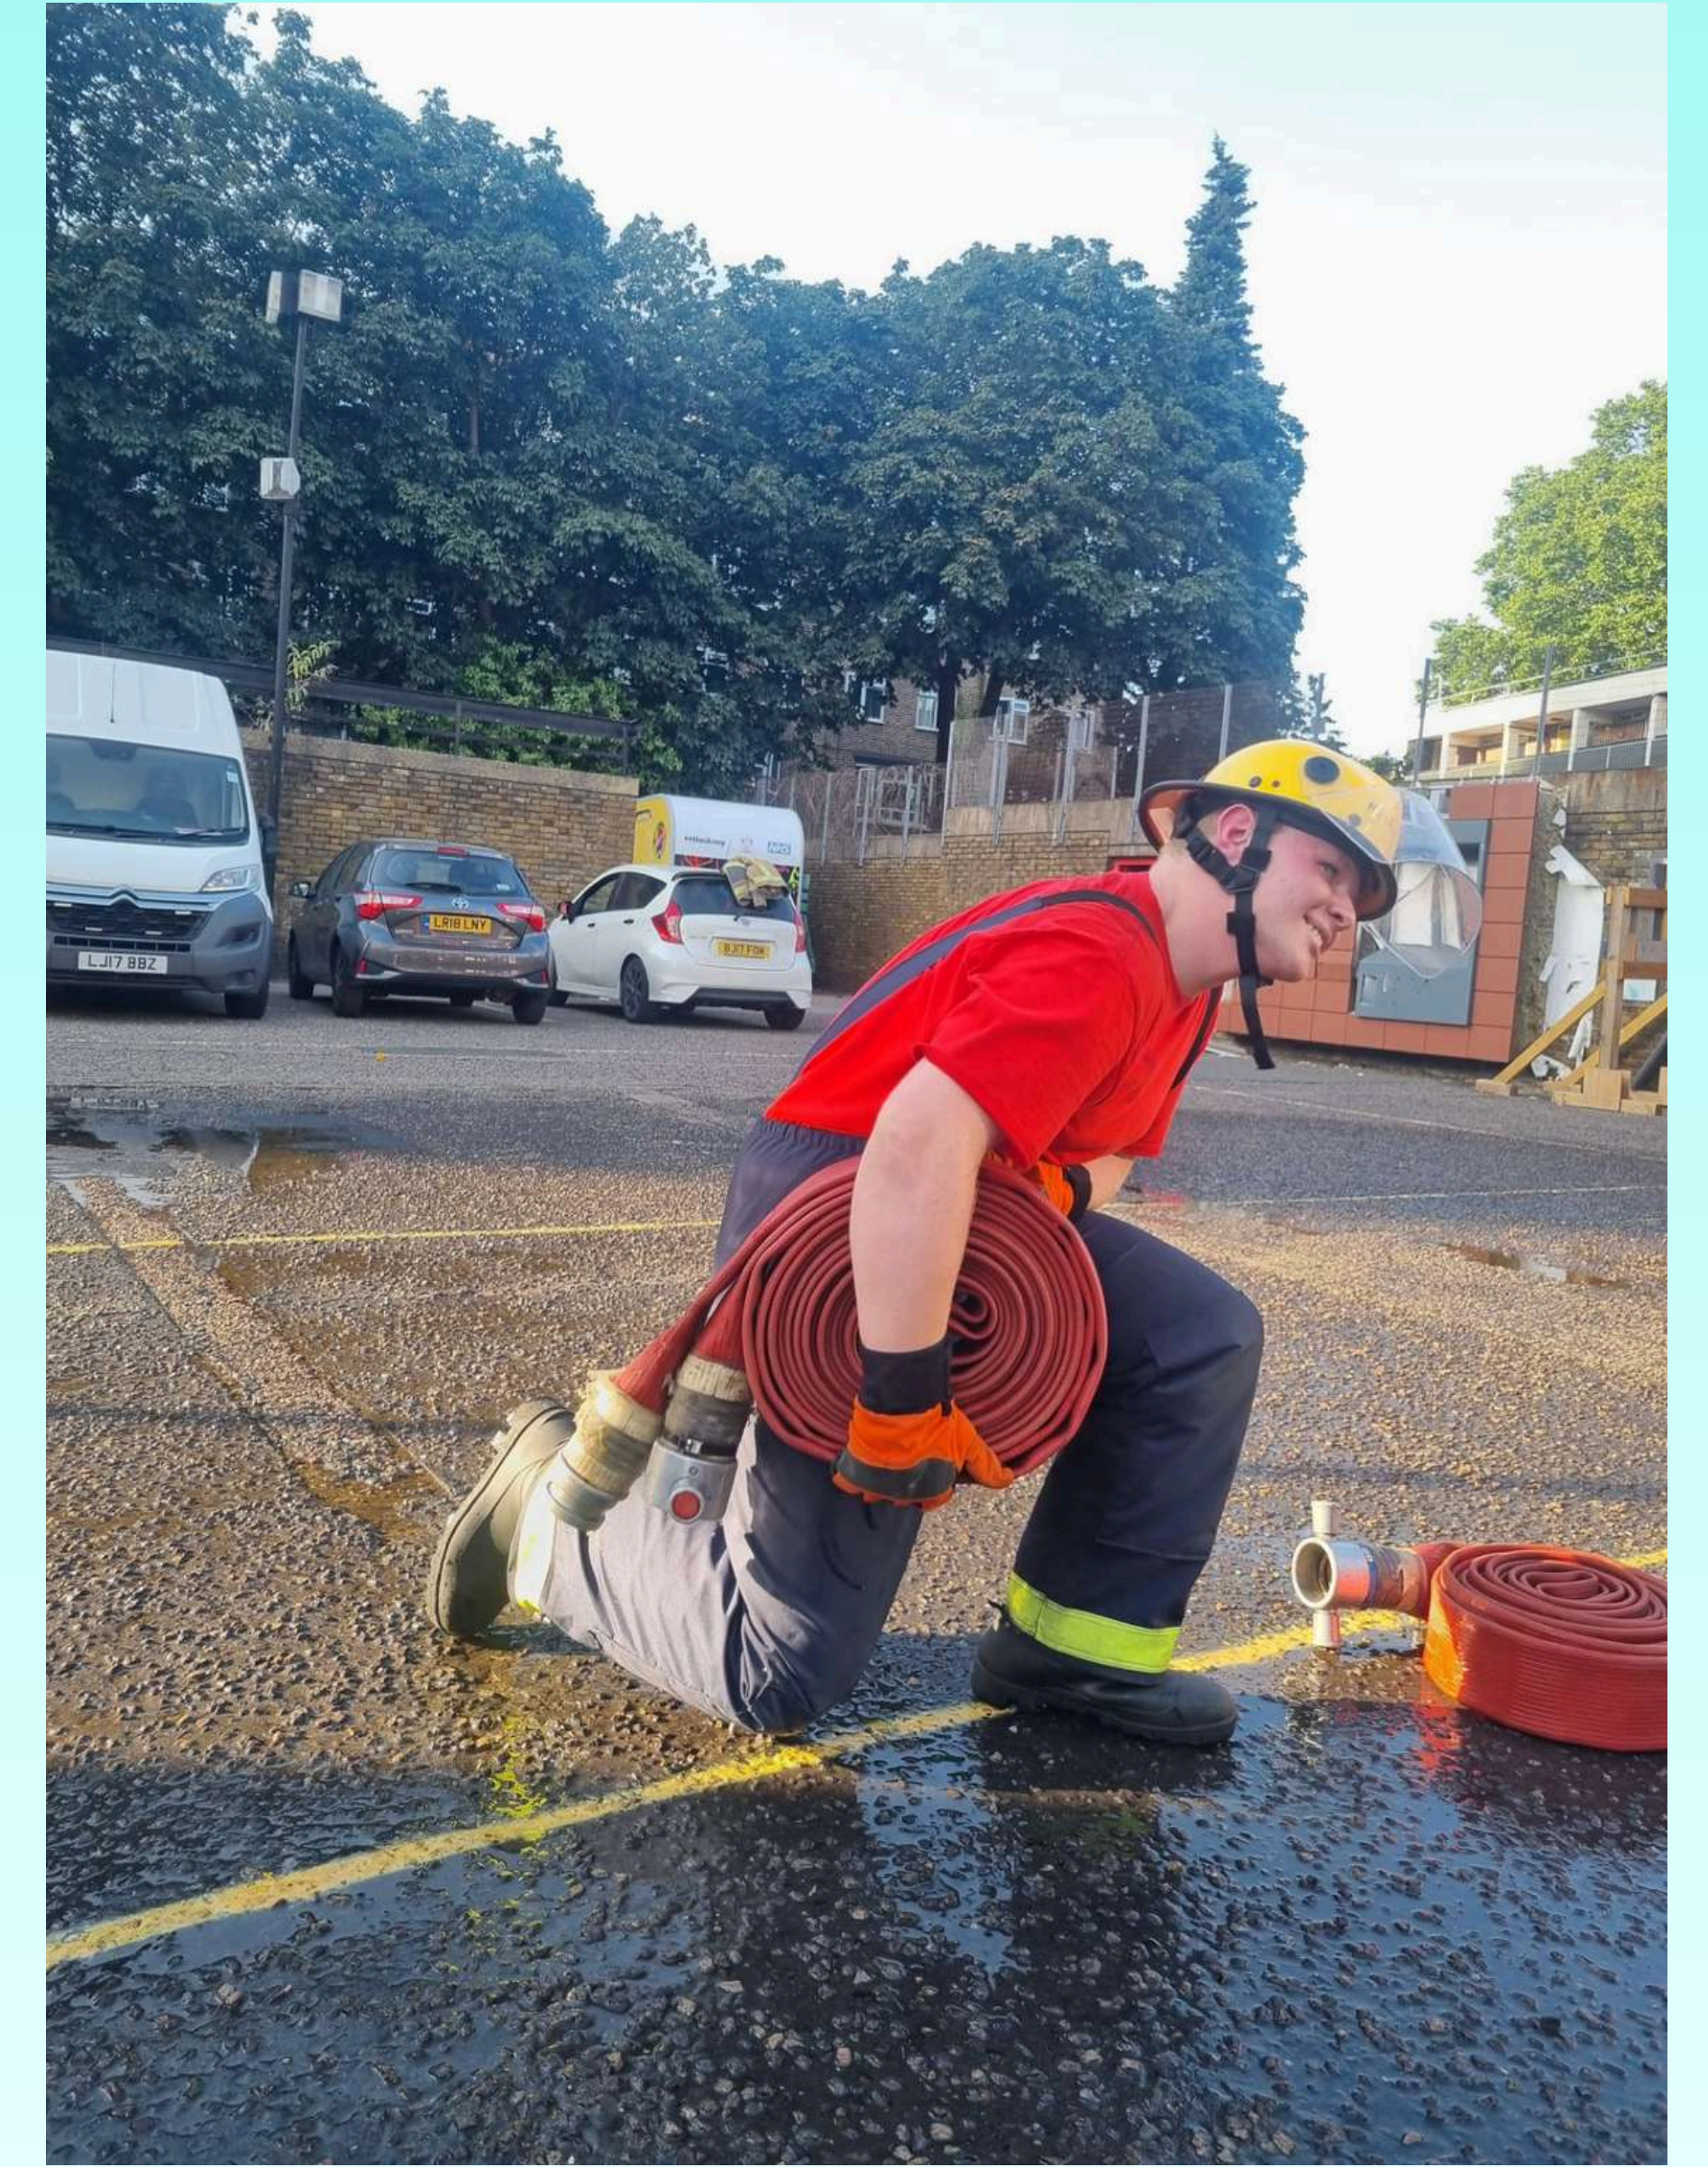

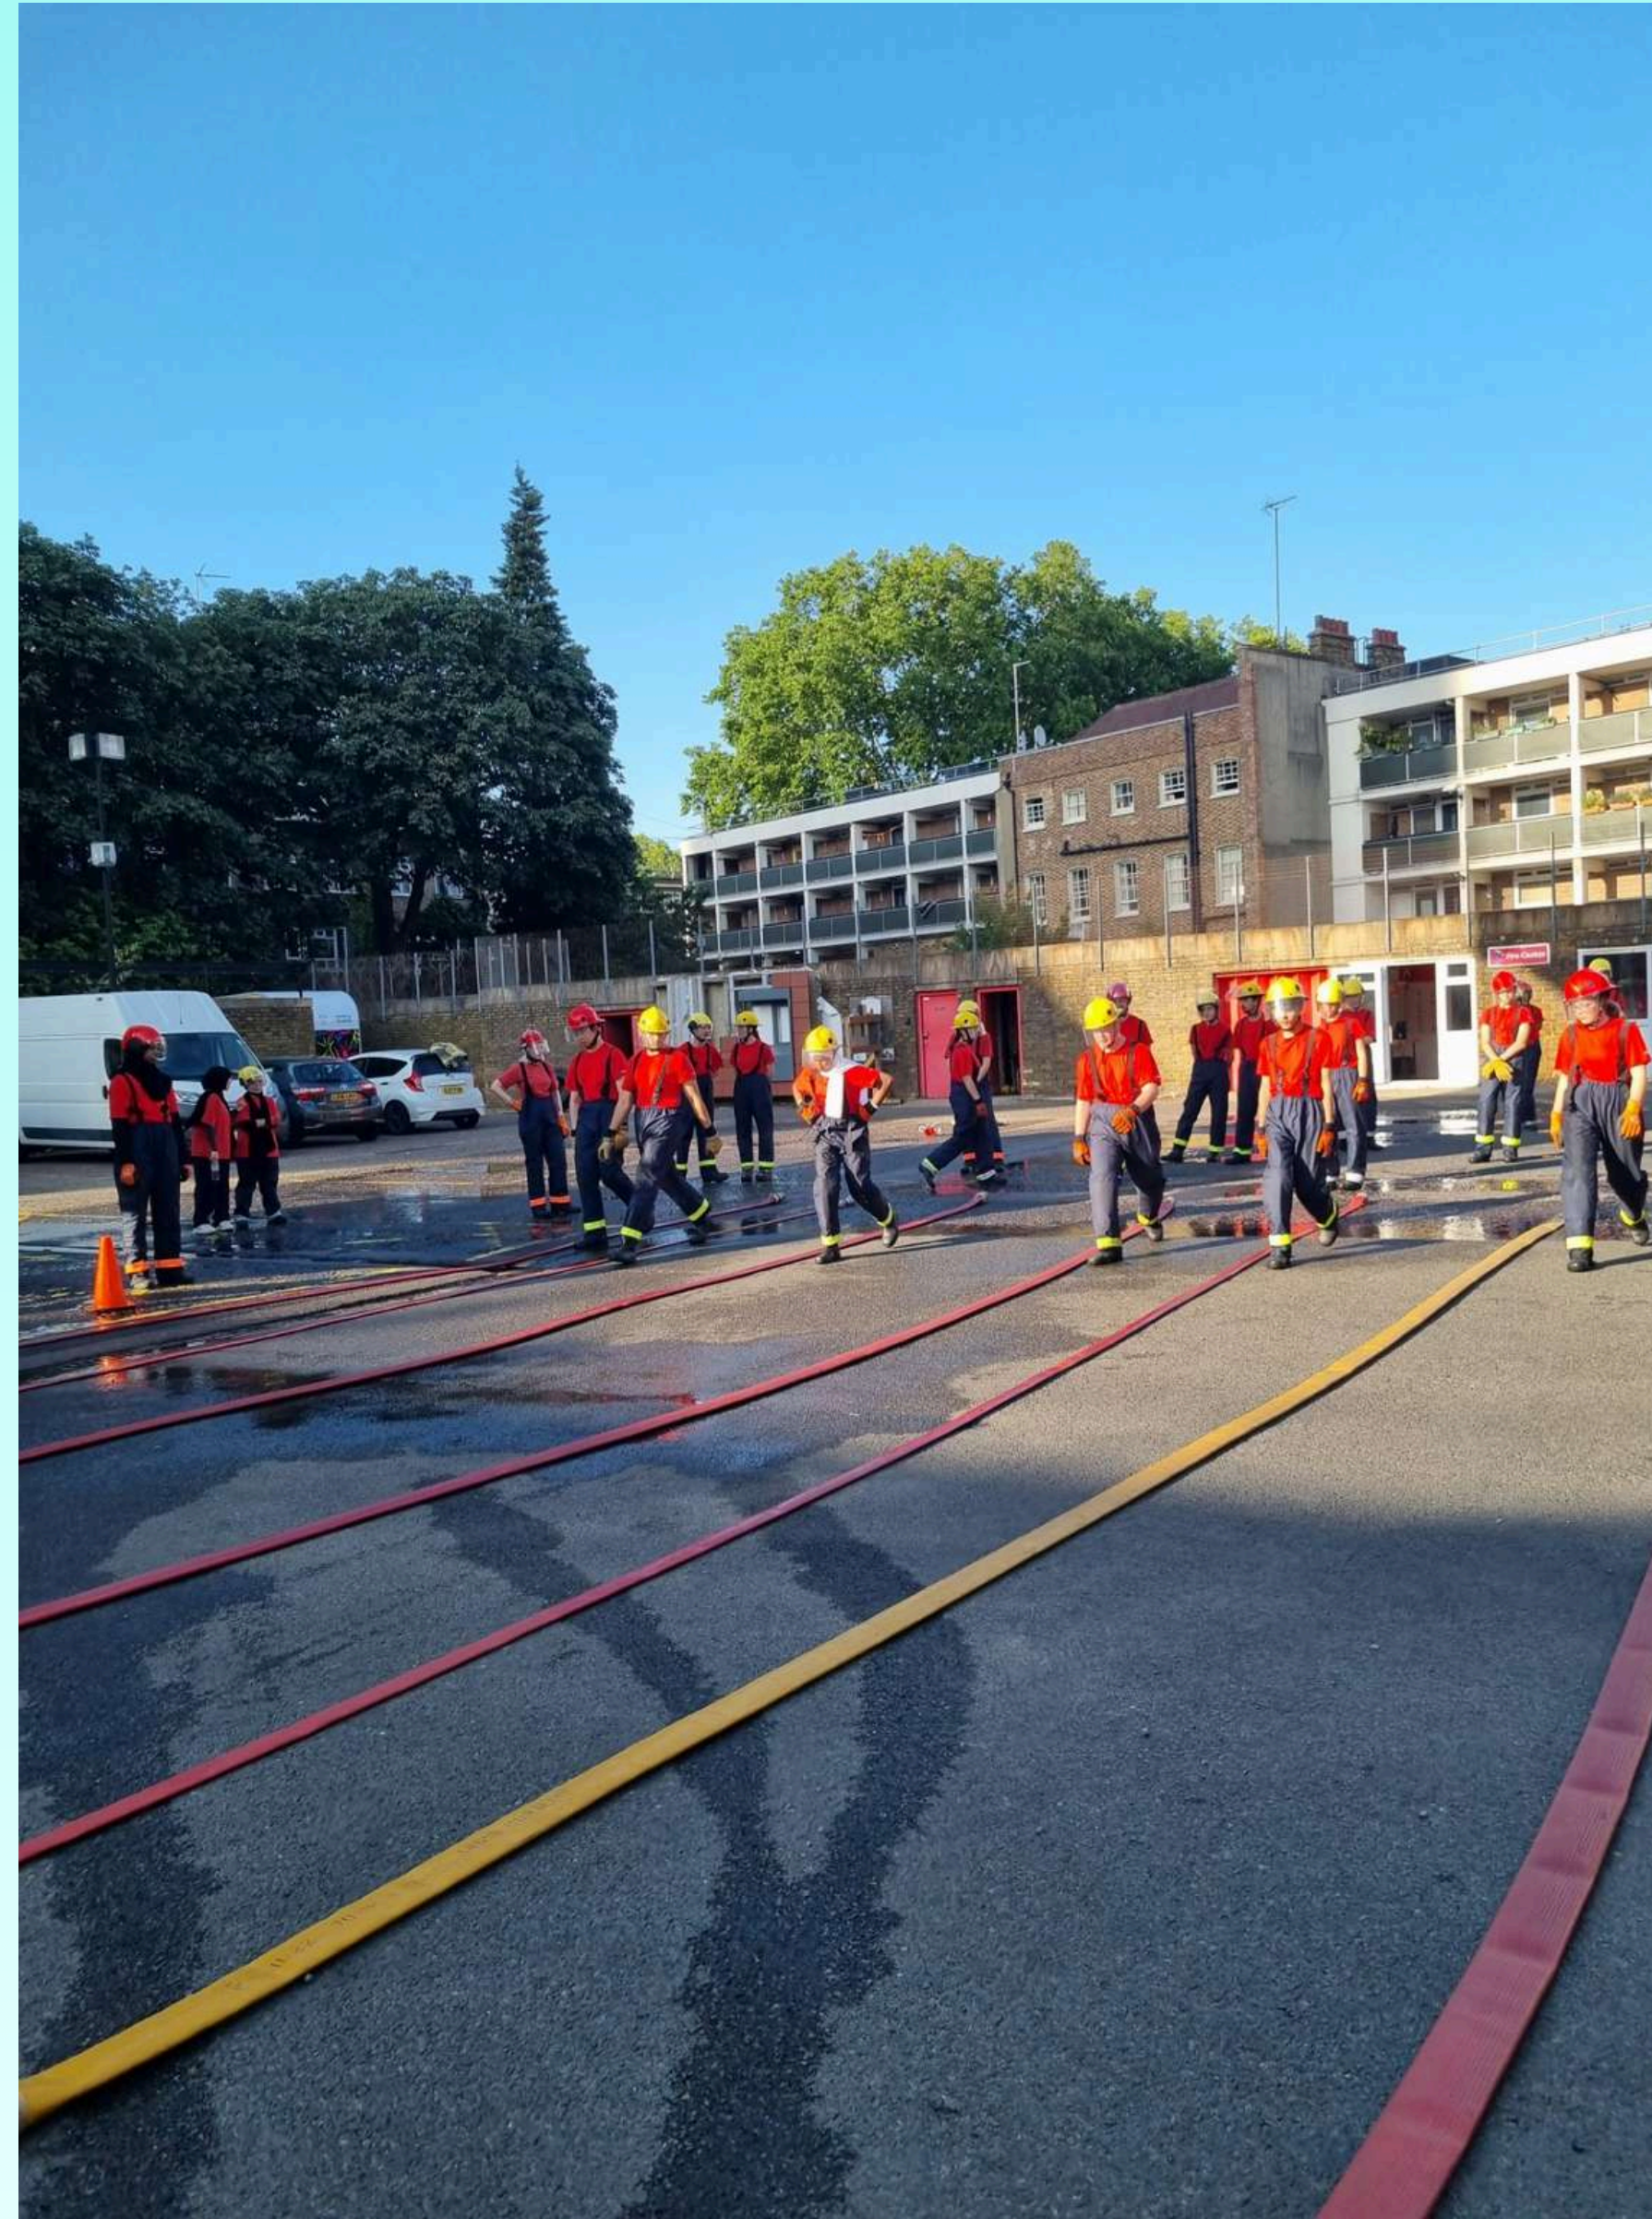

I won't be going on to be a Headteacher anywhere else and am so fortunate to be ending on a high. I can't wait to see how your children do as they move through the school and am already looking forward to my first visit back. I am also very excited about seeing the school move forward with Katie Foster as Head, and an excellent new Leadership Team already in place. Life has its ups and downs, but I can see now that in coming to work here so many years ago I accidentally made the best decision of my working life. I really do feel lucky to have been part of Stormont House for so long.

With love and best wishes

Kevin McDonnell
Headteacher

On Monday Ms. Burke was invited to attend Nathan's Fire Cadet Pass Out Ceremony. It was a lovely evening and Nathan demonstrated the skills he's learnt this year and confidently gave out loud clear instructions to his other cadets. In September, he'll become a Cadet Officer meaning he'll be delivering demonstrations and support to the next set of cadets. A massive well done to him!

In school eye testing...

We are delighted to let you know that our school will be taking part in an NHS funded in-school sight testing programme from September.
