# NON UNIFORM DAY

## FRIDAY 26 JUNE 2026

If your child chooses to attend school wearing non uniform, Stormont would appreciate donations of sellable items for the tombola and raffle prizes.

Examples of items that can be donated are chocolates, toys, games, gift sets, bottles, toiletries.

Thank you!

## *Archie*

Archie consistently demonstrates exceptional effort in his lessons, always striving to do his best. Beyond academics, he is a model of kindness and respect, always polite, helpful to his peers and supportive of staff. His positive attitude and dedication make him a role model for everyone around. Well done!

## *Belle*

Belle richly deserved to receive this award for countless reasons; she was our unanimous choice.

She is a kind and loyal friend. She is always willing to make an effort to help someone who is upset or who just needs a laugh. Her many friends find her fun to be with. She faces challenges with a broad smile and just gets on with whatever comes her way, never complaining.

Belle is someone who does not like to see injustice or unkindness. She will stand up for her opinions if she thinks something is unfair. She is not afraid to say what she thinks, and her courage is admirable.

Belle always tries her best in lessons. When a task is hard, she will have a go. She works independently and always has time to help her neighbour if they are stuck or need some advice. She is always willing to volunteer to help others.

Recently at Kench Hill, Belle showed that she could be independent, although it was her first time on a residential. Far from wanting to go home, she said she wanted to stay there longer. She showed great patience and resilience on a long and windy walk, never once complaining.

We are proud to have her in our school, and everyone is the better for knowing her.

# GARDENING CLUB

We are so proud of our gardening club for producing their first crop of 2026!

They have worked hard in all weathers and shown great commitment and determination. Huge thank you to everyone who donated to our fundraiser, which kick started the club, and to Ms. Clery and Ms. Holder for helping our green-fingered team to blossom.

The students had a fantastic time at Flip Out Canary Wharf. At times, many children seemed hesitant at trying something new, but they all gave it a go and loved every second. For the first hour, as a class we had a 10 minute tester of each activity. For the second hour, they were able to roam the site choosing to spend the time on what they preferred.

They all tried the:  
 ninja soft play  
 drift bikes  
 PS5 station  
 roller skating  
 interactive football pitch  
 bumper cars  
 laser quest!

We all had a fantastic time with so much laughter! A massive well done once again to our Jack Petchey winner Goncalo for choosing such an inclusive outing.
