STORMONT HOUSE SCHOOL
achievement for all

Please take the time to go through these expectations with your child at home, as we are in school. Sadly, we have seen an increase in physical behaviour at lunchtimes this term, despite increasing the range of activities and level of support available. We are committed to keeping school a safe and fun environment for all students and really appreciate your support.

Our Expectations
Physical Behaviour and Play-Fighting

At Stormont House we all have the right to feel safe, respected and included.
We look after each other, our space and our school.

A safe, kind and respectful community for everyone

What IS OK

We can be physical in positive, safe and respectful ways, for example:

High fives, handshakes or fist bumps (when welcome)

Positive, friendly gestures and encouragement

Supportive contact (e.g. a comforting hand on the shoulder if the other person is happy with this)

Physical activity and sports in lessons and at lunch time, following the rules

Helping and supporting each other

What is NOT OK

The following are not allowed at school:

Play-fighting, wrestling or rough play – even if it seems "just a joke"

Pushing, grabbing, holding or pulling someone

Hitting, kicking or any form of physical aggression

Any physical behaviour that makes someone feel uncomfortable, unsafe or frightened

Repeated physical behaviour after being asked to stop

We respect each other's personal space.
We keep our hands and feet to ourselves.
We choose kind actions that help everyone feel safe and happy.

LONDON YOUTH GAMES SPORTS FESTIVAL

This week, 7Ng received an invitation to a pan-disability multi-sports festival designed for young people with Special Educational Needs (SEND). The students took part in a number of different sports: cricket, football, hockey, boxing, dance, squash, rugby, sitting volleyball, basketball, tennis, hado, boccia, wheelchair basketball and cycling. The event took place at the Olympic site at Lee Valley Hockey and Tennis Centre. The students enjoyed the activities and behaved perfectly.

Well done 7NG!

BAYEUX TAPESTRY

Last week we were incredibly lucky to secure tickets to visit The Bayeux Tapestry at The British Museum. This is the first time it has been in England after nearly 1000 years in France! After learning about it in their humanities lessons, the students were excited to view it in real life. They were shocked by the size and detail with many students left speechless by the length of the room in which it was displayed. We (unfortunately!) were not allowed to take photographs in the space, but please ask your child to explain what they saw and how it made them feel!
