<u>Hackney Ark Children's Occupational Therapy - Talk to us 1:1 advice</u>

<u>session 2025</u> (FREE)

Draft SEND and Inclusion Strategy

Maths News

<u>Sumdog</u>

This year we are using a new online Maths programme called Sumdog. This is replacing Mathletics which we have used in previous years. This programme is responsive and changes the difficulty level according to how students are answering their questions. User names and passwords for students have been sent home this week.

Times Tables

This year we have introduced a new focus on times tables in Maths lessons. Students will be practising their times tables in class each week, beginning with the 10's, 5's and 2's and moving on from there. We will be monitoring progress of students and decide at the end of the year if the programme has been successful.

Congratulations to our new and returning
Library Monitors. They all filled in application
forms and came out top in interviews. They will
now be attending the library one lunch time a
week under the guidance of Ms Barrett, Ms
Williams and Ms Laylah. This role involves
keeping the library organised, logging book
borrowing and returns and promoting the
library with assemblies and events throughout
the school year.

Well done to Alisha, Archie, Donovan, Finn, Jayden, Jesse, Mason, Oriana, Rocco, Vinny!
