Hackney's Parent Carer SEND Survey 2025

We are asking for your help to share this survey with parents and carers of children and young people with SEND known to your services.

Please can you pass this information on and encourage or support parents who need a little more help to take part.

Hackney's Local Area Partnership wants children and young people with Special Educational Needs and Disabilities (SEND) to have the best possible start in life and a bright future. Our aim is for them to be happy, healthy, included, and successful. We want the support they get to help them develop the skills they need now and in their future as young adults.

To help us we are asking you to share your views and experience of your child's SEN (Special Educational Needs) Support or Education Health and Care Plan (EHCPs), and the benefit or impact of this on their development and progress towards their goals. This will help us develop our systems, processes, and support services so that they better meet the needs of Hackney's children and young people who have SEND. If you have more than one child with SEND please complete a fresh form for each of them.

Take the Hackney SEND Parent Carer 2025 Survey [here](#).

This survey opened on 16 June and Closes on 25 July 2025.

Summer '25- Please action before 11th July 2025
