Our school vision: Achievement for all in a unique world class school

Meet more of our Trailblazers Success at Hackney Trailblazers 2012

Last week we told you about the achievements of thirteen pupils who were recognised at the Trailblazers 2011 Awards, and gave details of two award winners. This week we are focussing on Maaz Y11, Billy Y10, who both received recognition in the category of **Outstanding Achievement**.

Maaz YR 11

Since Maaz's transition into Key Stage 4 he has matured into a studious and motivated young man who has set his goals for his future and is determined to achieve them. He is taking his learning seriously and totally immerses himself in every academic task set across his GCSE curriculum. Maaz is very ambitious and is focussing on achieving the best results he can in his GCSE's which will enable him to undertake a Business Course at college.

Billy YR 10

Billy is an outstanding role model to his fellow classmates; he is supportive, kind and understanding of other's needs. Over the last couple of years Billy has developed into a very mature young man who has become more self-confident in every aspect of his life. This became evident when Billy succeeded in going on his first residential journey for five days last summer; he took part in every activity on the outward bound week to the best of his ability, so much so that he won an award for his endeavour. Billy is a diligent and polite young man who can be trusted and relied upon to undertake any task in school. Throughout the curriculum Billy has always endeavoured to achieve his best and overcome any personal challenges.

Thursday 1 March is World Book Day

Years 7, 8 and 9 celebrated today with a special assembly which included a quiz and a literary character 'catwalk' of pupils dressed as their favourite book characters.

Staff were asked to take part by providing a picture of themselves in unusual or extreme reading scenarios which were displayed in assembly. Pupils will vote for the picture that they liked the best and one winner will be printed next week.

Watch this space for the results and will print the winning pose next week!

Art Lights London presents the launch of *Diver*, light animation by Aaron Pinnock Y10

On the evening of Thursday 2 February a diver sprang off a block from the top of a Victorian crane at Diespeker Wharf, Islington. It wasn't Peter Waterfield, British diver and Olympic silver medallist, though he was on hand for the event, but a light animation, based on a drawing by Aaron Pinnock, Y10. A flick of the switch by Waterfield and the sculpture came to life, illuminating the faces crowded on the canal bank. Pupils, staff, parent/carers plus many more turned up to watch this spectacular event.
