School Uniform Consultation

Many thanks to all parent/carers who returned the questionnaire on whether we should have a school uniform.

We will let you know of the outcome as soon as all the replies are collated.

Enterprise within the Garden (2)

As part of Year 10 Maths lessons pupils have been using the garden to help complete 'Functional Skills' tasks. The pupils have now delivered their orders of seedlings and collected payment. In just three weeks the project made £50. This money will be used to open a bank account and invest in the project in order to make a further profit.

David prepares his order.

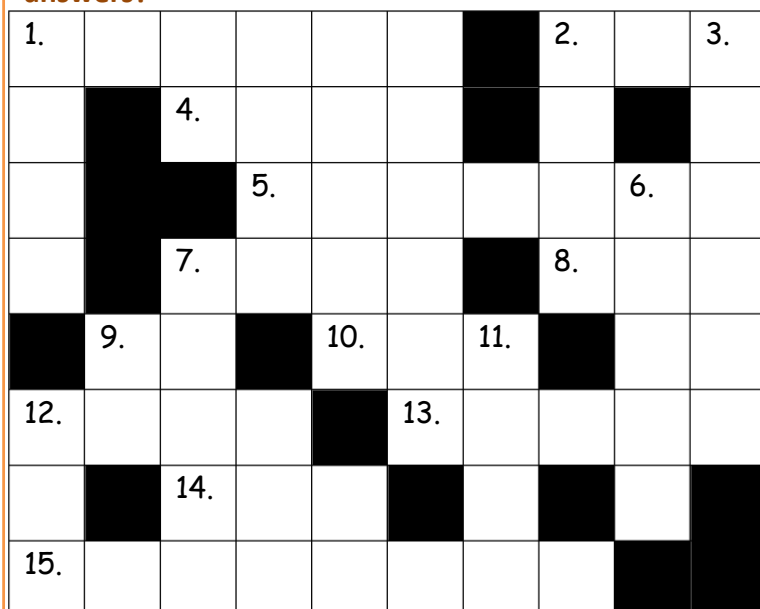

Ismail checks his order with payment.
