## Year 8 Experience Life on the Regents Canal

On Thursday 9 March Year 8 navigated 2 Narrow Boats along the New Regents Canal from Hackney to Kings Cross. They also visited the London Canal Museum. The trip was to support their learning on rivers and canals. It was a brilliant day. Sunny and Kelvin took charge of one boat and steered it all the way along the canal. Everyone had a turn steering and navigating the boats and helping other boats to enter the locks. The whole year group took charge of opening and closing the locks on the canal and learnt a lot of information about the difference between a river and canal. It was a brilliant learning experience and lots of fun!

## International Women's Day

Year 9 and 10 girls certainly were inspired at an event organised by Young Hackney on Wednesday 8 March, International Women's Day. Miriam, Lesny, Molly, Shekinah, Noreen, Victoria and Jordan represented Stormont House School and met about 100 other girls from Hackney Schools.

They were treated to lunch and met 27 amazing women who had interesting stories to tell about themselves and how they found their career path. They listened to Ronke; a young doctor at Homerton hospital, Luke; a spacecraft engineer working for the European Space Station, Nefateri; an entrepreneur and Anne; a freelance DJ. The message of the day definitely was to follow your passion and go for it!
