UK Cinema Association Card scheme:

The CEA Card is a national card scheme developed for UK cinemas by the UK Cinema Association (UKCA).

The Card enables a disabled cinema guest to receive a complimentary ticket for someone to go with them when they visit a participating cinema.

The Card is also one way for cinemas to make sure they look after their disabled guests. If you require an adjustment to visit a cinema because of your disability, cinema staff should make them for you whether you have a CEA Card or not.

The Card is developed by UKCA's Disability Working Group, whose members include film exhibitors and distributors, and national disability charities such as RNID, RNIB, Dimensions and Whizz Kidz.

If you have questions about the card and how it works read the [Frequently Asked Questions](#) or [contact us](#). See full [Terms and Conditions](#).
