Welcome Back!

How wonderful it has been to see our students back in school this last few weeks! So many of them have grown over the summer, and it has been lovely to see so many smiling faces. A special welcome to our new Year 7s! I know it is early days, but it was amazing how quickly they settled into their first day and managed the Covid testing as well. There were just a few Year 7s whose parents felt that having a Covid test on their very first day might be a bit much for them, and instead sent us confirmation of their home test result. That was marvellous, thank you. Every test we carried out in school since the start of term was negative.

The government has asked all school staff to keep self-testing throughout the Autumn term, and all secondary age children to test at home twice weekly. It does help keep the school as safe as possible. Test packs were sent home with students last week.

Timings of the School Day
