East London Regional Final - Panathlon Champions Competition

On Tuesday 26 March Year 9 plus Connor and Jordan from Year 10 competed in the East London Regional Final of the Panathlon Games at the University of East London's SportsDock facility which is located on the University's Docklands campus. Our team were representing Hackney and competing against teams from Newham, Waltham Forest and Barking and Dagenham.

The events which the teams competed in included new age curling, polybat table tennis, table top cricket, athletics and javelin. The team did exceedingly well in the table top cricket competition they achieved a gold medal. The team gained lots of medals in the athletics events, Tommy performed brilliantly to come first in the javelin event, and he received a gold medal for all of his efforts. All of the team performed to the best of their ability and were a credit to Stormont House.

After a very tough competition the Stormont House team came in in third equal position with the Waltham Forest team. The point difference between the teams was very small - well done to all of the Year 9 / 10 pupils who took part in the competition representing the School and The Borough.
