London Youth Games 2017
Athletics Competition

On Wednesday 28 June a selection of students across all year groups took part in the London Youth Games Athletics competition. Our school had the important task of representing the borough of Hackney. The Hackney team as a whole performed fantastically. Overall we won 14 individual medals. Largely due to Stormont House students contribution the borough of Hackney boys' team won the whole Athletics competition and the girls team came third in London! It is a tremendous success and is a new personal best for Hackney. Mr Hajdrych was very proud of the students achievements, their team work and that they all tried their best against athletes from 32 other boroughs in London.

Well done to everyone who took part!

Gaby's Kitchen

For the last six Monday afternoons Year 12 and 10W have taken part in a healthy eating and cooking project run by Gaby's Kitchen. Gaby's Kitchen are an organisation who help people in Hackney learn the skills of healthy cooking and eating by providing free, educational and fun cookery courses, incorporating advice on nutrition.

Year 12 and 10W learnt how to prepare meals fom scratch, which included planning a meal on a budget and making sure that the meal was healthy. They made curry, fajitas, salads, healthy cheesecake and enjoyed eating every mouthful. The students learnt about the sugars in food and how sugar affects your body.

All the students who took part were brilliant and the staff at Gaby's Kitchen were very impressed with how well behaved the students were and how well they all listened.

Hackney Downs Syndrome
Community Group

Hackney Downs Syndrome Community group is a parent led group who want to build a supportive community around children in the borough with Down's Syndrome.

Next Meeting
SATURDAY 8th JULY 2017
