## PE

### We will be learning about:

Students' work will be assessed for WJEC Healthy Living and Fitness Entry Qualifications in uni-hockey and badminton.

## DT

### We will be completing: Making an Item to Commission – Level 1 Unit Award

Completing an acrylic phone holder project including planning and evaluation portfolio.

## Home Learning Opportunities

English – Encourage your child to read when they can. If your child is reading a book at home, ask them to bring the book in as they can be given the opportunity to read and share it with the class. Continue to use Reading Eggs and Reading Eggspress.

Maths – Encourage your child to find simple fractions of shapes and amounts. Using words share as “sharing” ask your child to divide some of larger amounts between different groups at home. Continue to use Mathletics.

PE – Ask your child to complete some of the exercises that they have been doing in their PE Lessons.

Computing – Give your child the opportunity to access online resources and platforms under supervision.

## Art

### We will be learning about: Structures 3D Mixed Media Project (Clay, plaster, Modroc, card, paper, straws, wood, found objects, wire)

Project introduction, exploring materials and techniques and working from observation, reviewing work and annotations. Exploring contextual work – artists and visits, internet research as starting points for project. Respond to artists – explore materials and techniques.

Plan and produce final outcome  
Working towards the UAL Level 2 Award.

## Music

### We will be learning about:

#### Practical music making:

Listening to diverse musical styles , practising and composing and original piece of music. Playing a tuned instrument keyboard/xylophone. Reading and playing music from notation

#### Music Technology:

Developing soundtracks and manipulating sound using a digital platform
