Internal assessment and verification of student portfolios which are externally quality assessed.

#### Baseline assessments in Y7:

We carry out assessments in English and Maths over the first term of Y7. This includes written assessments which assess the fundamentals but also includes book looks at the work the Y7's have done in the first term and discussions amongst staff about what they have observed from the Y7's. The assessed levels are then moderated by an external expert for English and one for Maths.

#### Accreditation in Year 12:

Subject	KS5 assessment framework	Accreditation/ outcomes
