REMEMBER – Stay Safe On-Line - E-Safety Awareness

Children's privacy can be invaded online in several ways. For example, it can happen when they:

- fill out forms and enter contests on commercial websites
- provide information when registering for Internet services or software (i.e. file-sharing, instant messaging, e-mail)
- complete a personal profile for an e-mail or instant messaging account
- give personal information to strangers in chat rooms or through instant messaging
- Social networking sites – who are they friends with?

If you know your child uses Facebook, please help them to check their privacy settings. The video link below shows you how to change privacy settings on Facebook. <http://kidsmart.org.uk/skills-school/>

Holidays during School Term Time

In exceptional circumstances only, parents/carers may write to request permission to take their child out of school during term time. Permission will not be granted if this is a holiday that could take place during school holiday times. Parents/carers should not book a trip and then ask for permission, as it will not be granted. Parents can be fined for taking their child on holiday during term time without consent from the school.
