

15/12/2021

Dear Parents and Carers,

Thank you for your continued engagement with our Covid-19 testing programme.

Following my previous letter regarding the Department for Education request for schools to test students on their return to school in January, **if you have previously given consent and no contact details have changed you do not need to do anything more.**

However, if your child's circumstances and/or your previous contact details have changed, please resubmit your consent [here](#), giving the most up-to-date contact information.

If you wish to withdraw consent, please contact the school office at [info@stormonthouse.hackney.sch.uk](mailto:info@stormonthouse.hackney.sch.uk)

**If you have not given consent or are resubmitting consent, please do so before Friday 17 December 2021 by clicking on the [link](#).**

Consent must be given by a parent/carer if your child is under 16 years old. If your child is 16 years or older, they can give their own consent, assuming they have discussed this decision with a parent/carer.

All students will continue to be provided with Lateral Flow tests and it is essential that your child continues to test twice a week and follow the current government guidance. If you wish to access additional rapid flow testing, you can do so by ordering LFD test kits from [GOV.UK](https://www.gov.uk) or by collecting kits from your local pharmacy.

Thank you for your continued support. I hope that you and your family stay safe during the Christmas holidays.

Yours sincerely,

Mr Kevin McDonnell  
Headteacher
