Week ending 23/04/21

Update

It has been a busy first week back in school and all students have settled back into routine well. On Monday we did our last round of in-school testing for those with consent. There were no positive test results. We kindly ask that you continue to test your child at home every 3-5 days, using the home-testing kits that were sent home before the Easter break. Please report the test result to NHS Test & Trace and let the school know via this [link](#). More home-testing kits will be sent home with students next week.

Please ensure your child comes to school with a face mask or covering, and a named water bottle.

Parent's evening (virtual) for year groups 9, 10, 11 & 12 will take place on Thursday 6 May between 4.30 – 7.00pm with your child's form tutor. A letter has been sent home today explaining how the virtual parents evening will work, with instructions on how to book a time slot through School cloud.

Stormont "World of Books Day"

On **Friday 30th April** we will be celebrating Stormont's 'World of Books Day'. This is a really fun event for students and teachers to celebrate stories and characters from our favourite books. Please encourage and support your child to dress up as their favourite book character on that day - especially if they are uncertain about who or what to dress up as - as a conversation about their favourite characters may inspire them!

There will be a prize for the most inventive costume in KS3 and KS4.

Preparing for Adulthood (PfA) - Employment

WOW WEEK!

WOW week (World of Work Week) will be taking place from **24 - 28 May 2021**. Throughout WOW week students will be learning about different places of work and take part in careers activities.

In the lead up to WOW week students will be transforming their classrooms into a place of work. Students will prepare everything they need to transform their rooms over the next 4 weeks in Expressive Arts and Tutor time.

To make props and create the places of work we would like to ask all students to bring any recycling that could be useful for WoW room transformations! We are after:

- Cardboard – particularly extra-large cardboard boxes – but any – shoe boxes etc
- Cardboard inner tubes from kitchen rolls or wrapping paper.
- Egg Boxes
- Large plastic bottles
- Large pieces of polystyrene you find inside boxes to protect things.
- Plastic cartons - e.g., large yogurt pots

Year 7 Pancakes

7MU spent the afternoon learning how to make pancakes, from scratch! This was a reward for reaching their class behaviour target last half term.

Well done 7MU!

Dates for
your
diary.....
