INSET Day Reminder

On Monday 19 February and Monday 26 February the school is closed to students for staff INSET Days

Parent / Carer Reminder

Many students and staff at Stormont House School suffer from asthma, and a number suffer from severe allergies and anaphylaxis. Aerosols, sprays and perfumes can act as triggers for people who suffer from these conditions, resulting in symptoms such as asthma attacks, headaches, including migraines, and in extreme cases, anaphylactic shock. In addition, aerosols can be dangerous as they contain flammable liquids and can also cause harm if inhaled.

For these reasons, aerosols and sprays are banned from school premises and all excursions, after school activities and sporting events.

Year 11 Work Experience

From Monday 22 January to Friday 2 February the Year 11 students completed their external Work Experience programme at the following placements Linklaters, Williams Lea TAG, Mediorite, Office S and M Architects, Young Hackney Sports Team, the Tomlinson Centre Café, Queensbridge Primary School, Baden Powell Primary School, St Scholastica's Primary School, Linden Children's Centre, Wentworth Children's Centre, Access Sport, Hackney City Farm and at Stormont House.

While on their work experience they have been visited by members of Stormont House staff who have written reports on the student's placement and how well they have performed. The school and placement mentors were very impressed with the maturity of the Year 11's and how professionally they all behaved. Well Done Year 11.
