"Still Life in Pink"

By Destiny, Year 10

This wonderful piece is called 'Still Life in Pink' and has been selected to be part of UAL's Origins Creatives Exhibition at the Truman Brewery in Brick Lane. Well done, Destiny!

Stormont House School Uniform

Students should be wearing a white t shirt and grey trousers - no other colour especially as we are hosting formal events next week so everybody should be as smartly dressed as possible. As the weather is warming up, students are encouraged to take their jumpers off, therefore it is even more important that the t-shirts are the correct colour.

If you are having any issues with this, please contact the school directly on 020 8985 4245.

Year 11 Design Project

Last term Year 11 were working on the completion of their AQA entry level certificate projects. They have created some outstanding bird feeders, which we proudly arranged around the space of the school. Their hard and dedicated input to Stormont house community will positively drive present or future generations of students, creating opportunities for scientific observations, as well as creative inspirations for upcoming projects.

Year 9 Sculpture Workshop

9N have been working with the organisations Action Space and New Direction, and the artist Linda Bell. Students took part in a workshop with Linda to build a collaborative interactive sculpture. This sculpture is now part of the 'I Am' festival. This festival is 'A New Direction's' yearly celebration empowering D/deaf, disabled, and neurodivergent young people to explore their creativity. Here is a video clip of the making and collaboration process
