Two weeks of live lessons complete!

We have now done two full weeks of live lessons and teachers have really enjoyed having more contact with different students and seeing some fantastic work and contributions to lessons!

Do get in touch with your form tutor if you have any photos of your work that is being done at home whether that is drawing, written work, cooking, making!

7Mu	Oliver	For having a very good attitude this week, joining in brilliantly in lessons, and showing some incredible breakdancing skills.
7Mo	Ava	For never missing a Teams lessons and trying her best.
8E	Josh	He has completed a diary during the week and has been very helpful at home.
8N	Zamar	For his amazing effort in his science assignments.
9C	Merve	For her very imaginative story about a Cyclops called Emily who climbed a beanstalk. We loved how she had merged elements from two traditional tales in an original way.
9A	Charlie	She has managed really well to persevere with learning online and connecting via Teams. Well done Charlie!
10B	Callie	She is often the first person logged into Teams and is always ready to learn. Keep up the hard work!
10O	Harvey P	He has joined all lessons promptly and he is always keen to contribute, engage and help other whilst in lessons. We all love his sense of humour too!
11G	Tavo	For his wonderful commitment to lessons and meetings and completing high quality work.
11M	Zak	For his awesome eye drawings!!
12H	Aesha	She has never been late to any Teams call and never missed any meeting. She always keen to contribute to any discussion and willingly shares her valuable opinions.
12M	Jusane	For attending his Maths online lesson this week and engaging really well with the learning.
