## Panathlon Swimming Finals

On Wednesday, seven students from across the school took part in the Southeast England Special Needs Schools' Panathlon Swimming finals. The event took place at London Aquatics Centre, the most technologically advanced and stunning swimming facility in the World and home of the 2012 Olympics. Students competed against Lancaster, Garrett Park, Charlten Park, Belle Vue, Philip Southcote, Ness Point and Stone Lodge. Team Stormont faced tough competition but fought hard all the way and won first place coming away with Gold! Well done Callum, Nihat, Jose, Oliver, April, Aland and Zion.

**Working for every child**

### Parent/Carer Survey on behalf of Hackney education

Hackney Education are conducting surveys as part of their efforts to evaluate the effectiveness of local SEND services. The results of the surveys will be shared with the Government's Delivering Better Value (DBV) programme team and will help inform their improvement grant bid. Here is a message from Hackney Education's SEND Team:

***"Dear Parents and Carers,***

***We know that we are not getting it right for every child or young person right now, but we are committed to improving services for children and young people with Special Educational Needs and Disabilities (SEND). We will be submitting an application for a grant to improve the SEND service in late June. We want to put children and young people at the heart of this plan, and your views are really important to make sure we're focusing on the right areas.***

***Please fill out the survey to help us understand your views and experiences.***

***This survey closes on 4 May and should only take 5 minutes to complete. Thank you".***
