

Success at the Hackney Sports Awards Evening Hackney Empire Monday 4 November 2013

The sporting success of the Hackney Students was recognised at the Annual Sports Awards at Hackney Empire. The organisers recognised the terrific achievements of Stormont House pupils at the London Youth Games, particularly the golf medals in Tennis and Silver in the Indoor Rowing.

However there was an even larger surprise in store for our very own Mr Hajdrych who received the Inclusion Award. This award recognises an individual or organisation that has made significant achievements in the Disability Sports Provision. The other individuals and organisations nominated were of very high quality and this award is a mark of the highest respect across the borough for the work of Mr Hajdrych and the achievements of Stormont House Pupils. Hooray!!

Thank you to all parent/carers who attended parent/carer consultation evening/day last week.

Y10 Internal Work Experiences Interviews

Year 10 were interviewed by our Williams Lea Mentors for Internal Work Experience positions in school this week. We are pleased to announce that all pupils were successful in their interviews and will be taking on their roles. We will have pupils working in our garden, in the school hall as breakfast and lunch break assistants. We are very proud of how well the pupils conducted themselves during the interviews and how smart they looked!

Well done to Y10

Year 11 Work Experience

Can you believe Y11 external work experience has completed its first week already! Our pupils are working in a range of placements. These include hairdressers, garages, a variety of companies, restaurants, farms and local primary schools. Supervisors at the placements have reported that our pupils are doing very well and are working extremely hard. We look forward to welcoming them back soon to find out about their achievements and the important skills they developed whilst in the world of work.
