

9M Curriculum Leaflet

Autumn 1

Form tutor: Mr. Mole

Teaching assistants: Ms. Chigbu,
Ms. D'Arcy

Tutor Time Focus:

Bullying

Behaviour for Learning Targets

English

We will be learning about:

Exploring Genre – understanding
mystery novels

Understand the conventions of a
detective character.

Celebrating Black Voices

We will be looking at a selection of
writing by black authors.

Maths

We will be learning about:

Place Value

- Smaller and larger
- Consecutive and non-consecutive
- Estimating
- Ordering

Science

We will be learning about:

Fossils – what can we learn from
fossils about evolution

Adaptations – how have certain
animals adapted to their
environment

Inheritance and Evolution

History

We will be learning about:

Industrial Revolution

Slavery – The Transatlantic Slave
Trade

Harriet Tubman

Olaudah Equiano

Revolts & Abolition

The Windrush

Black History of Britain and the
British Empire

Computing

We will be learning about:

Caring and Sharing

To be able to listen and take part in a
class discussion and survey

To Use Outlook and Teams carefully to
share information with others

Personal & Social Development

We will be learning about:

‘Banter or Bullying’

Risky behaviour

Peer pressure off/ online.

Standing up to bullying

Philosophy for Children

We will be learning about:

Answering ‘The Big Questions’ and
respectfully accepting others’ opinions
different from our own .

PE

We will be learning about:

Wheelchair basketball

Show some control and coordination when performing wheelchair basketball skills. Including, dribbling, catching and passing & shooting.

DT

We will be making:

Mythical Creatures

We will be learning to:

Use tools safely in the workshop

What is Graphics?

What is the design process?

What processes can we use to make a mythical creature?

What has gone well and what could we improve?

Home Learning Opportunities

- To create a tonal pencil drawing of your favourite animal – this has to be from observation – so real life or a photograph or image.
- To draw a picture of your favourite mythical animal from a story – it could be a dragon, a unicorn or even a Hippogriff!
- To research the artist Julian Tabet. Create a Poster all about him and his artwork. Add information, drawings and print images if you can.
- To create your own design for a mythical creature. Use colour and remember you are inventing a new animal!

Art

We will be learning about:

Mythical Creatures

Create then make your own mythical creatures using clay.

Music

We will be learning about:

- Experimenting and creating our own music
- Singing
- Playing
- Improvisation
- Reading from basic rhythm notation

PfA

Self Care

'Operation Healthy Sleep' - Students make good choices about a healthy sleep routine

'Operation Online Safety' - Taking care of ourselves online

Students provide evidence of their ability to take responsibility for simple household tasks eg, tidying bedroom; making own food

Events this half term

Y9 Parent Carer evening – 28th September
