Home Learning Opportunities

English – Continue to encourage your child to read different kinds of books and texts. Moving up to secondary school is a great opportunity to try reading slightly more challenging texts.

Maths – Encourage your child to identify different digits in a number and assign them a value. Also, ask your child to count different objects and what would happen if you added more or took some away.

Science – At home, try to discuss what healthy a healthy lifestyle might look like. Try to encourage that your child does an extra 10 minutes of exercise each day.

Computing – Give your child the opportunity to access online resources under supervision

Food Tech – Ms Doherty has provided a set of challenges for you to try at home with your child. They have been sent home with your child.
