Year 7 The Woodrow High House Experience

On Wednesday 18 May Year 7 students spent three days and two nights at Woodrow High House in Buckinghamshire where they had a wonderful time doing a variety of activities. They had fun learning how to shoot an arrow during archery and were very supportive of each other during the low ropes activity, many showed bravery and courage conquering their fears to cross the rope bridge.

The students unanimously agreed that although they loved all of the activities their favourites were swimming, learning how to make a fire and the campfire. At the campfire meet they sang songs, told jokes, ate toasted marshmallows and laughed a lot! They also liked dressing up for the disco and showing off their dance moves.

During this residential holiday the students bonded with each other across the class groups. They demonstrated kindness and consideration and an increased capacity for patience and understanding. All in all it was a very successful trip. On Thursday 19 Mrs Napier and Ms Christie took Aesha, T'Raj, Niccole and Bradley to experience a day at Woodrow - they had a wonderful time being with their friends.

Ms Motin, Ms Cross, Ms Wosiak, Ms Andrysewicz, Mr Calvin and Mr Ramphul would all like to congratulate the Year 7 students on the completion of the annual Woodrow High House residential.

April Jack Petchey Award Winner – Brett England

Brett was put forward for the Jack Petchey Award for April 2016 by his form tutor - Ms Foster - 9F.

Brett is a helpful, kind and hardworking member of the 9F class. He helps the community by volunteering for St. John's Ambulance and recently became a first aider.

In school Brett is a vital member of the EU Stars team and has been chosen to represent the school as an ambassador on a number of high profile grant bid events.

When Brett makes the right choices he is a good role model for other learners.

Stormont House School Art Exhibition and Family Day

On Saturday 11 June we are holding an 'Art Exhibition and Family Day', where art work from years 7 – 11 will be exhibited in school. There will be art workshops for all ages and abilities. The event will run from 10am to 1pm and is free to enter. There will be refreshments available and you will be able to purchase gifts and prints of students artwork.

Kidzania – A role-play experience where kids learn financial literacy, careers, teamwork, independence and real-life skills.

Both Year 7 classes visited Kidzania as part of their career development on Monday 23rd May. They took part in different workshops based on skills and practise related to different jobs. This enabled them to realise how what they are in learning in school is related to jobs they might want to do when they leave. The students earned 'Kidzos' in their workshops and were able to spend them in the Kidzania shop before leaving.

This was an invaluable first-hand experience and introduction to the job market for the Year 7 students couched in a fun way. They learned what skills were needed to perform a variety of jobs and found out about jobs they had never considered, e.g., newspaper reporter, radio d.j. They all showed responsibility and independence throughout the day and had a fantastic time. All the students want to return!

Dates for your Diary Summer Term

30/5/16 to 03/06/16 – HALF TERM

08/06/16

09/06/16

10/06/16
