

Reminder:

Year 7 Parent/Carer Meeting

Monday 30 September - 3.45-5.30pm

The Year 7 Tutors, Ms Chenard and Ms Motin, are looking forward to meeting all the new Year 7 parents/carers for appointments slot on Monday 30 September. Please ensure that you are on time for your appointment as they are only for 10 minutes. If you have not already booked your slot please call reception on Monday morning to do so. Thank you.

Arty - Fact Theatre Company - Oliver Twist at Stormont House

On Monday 23 September KS3 pupils were treated to a performance of 'Oliver Twist' performed by the 'Arty - Fact Theatre Company'. The performance of the Charles Dickens Classic followed the orphan Oliver Twist's eventful journey through the murky streets of Old London Town, meeting the unscrupulous characters Mr. Bumble and the comical Fagin. Some of the pupils were incorporated into the performance as characters, Jessica from Year 8 was dressed up as a child from the Victorian era and Ryan from Year 9 was made into one of Fagin's gang.

After School Clubs – Sign up now!

- Monday: Drama Club
Cricket Club
- Wednesday: Indoor Rowing Club
Maths Club
- Thursday: Animation Club
Canoeing Club (Leaside Canoeing Centre)
Homework Club (Year 10 & 11 only)

The above clubs are running each week from 3.30 4.30pm and there are still spaces available in each. Please ring the school if you would like your child to join one or more of these clubs.

Mathletics and Mymaths – Supporting Pupils with their Maths Learning at Home

At Stormont House school pupils use one of either Mymaths.com or Mathletics.co.uk in the ICT room during some maths lessons and in ICT club if they so choose. It serves to reinforce what they learn in lessons and also to give pupils access to other strands of maths. Maths teachers set specific homework for pupils to achieve each week on Mymaths or Mathletics however both websites can be utilised by pupils to access other work to improve their maths skills as much as possible. Pupils are given immediate feedback to their work and their teacher has access to what they have done and where they will need more help.

This week we are sending pupils' Mathletics passwords home with a Mathletics letter to parents. Parents can also sign up to access the work their child is doing to see how they are progressing. If you do decide to be a part of the Mathletics' community, we hope you enjoy working with your child on their maths! (Parents cannot sign up to the Mymaths website in the same way).
