A Variety Club Day at Paradise Wildlife Park

On Friday 6 January Year 7 students visited Paradise Wildlife Park. This visit was delayed from December due to minibus problems, but fortunately the park was willing to transfer the date so the students didn't miss out on their trip.

Although the weather was chilly the students had a wonderful time looking at all of the animals and riding around the park on a tractor. Our thanks to Sue from the Variety Club for organising this wonderful trip.

Alumni News - The Apprentice, You're Hired!

One of our previous students, Jordan Lee, has successfully gained a place on the Transport for London Apprenticeship scheme. Jordan has always loved transport and is an expert when it comes to train and bus routes. For Year 12 Jordan stayed on at Stormont House Sixth Form and studied Sport and Public Services at BSix Sixth Form College for two days a week. Then in Year 13 he continued his Public Services qualification whilst applying for the TfL Apprenticeship. We are so proud of Jordan and we wish him every success with his apprenticeship.

New ambassadors meet each other for the first time

In October 2016, the Sports Unit had the official launch of the Sport Ambassador programme. This is currently aimed at young people aged 16+ and it allows them the opportunity to volunteer in sport and support the Sports Unit with the session we deliver throughout the borough. Currently, there are almost 40 young people joined on the Sport Ambassador Programme supporting the Sports Unit in a variety of sessions on a weekly basis, as well as completing a newsletter for us! A big thank you and well done to all the young people involved!

Jamie an ex student from Stormont House School is working with Young Hackney on the Sports Ambassador Scheme. He has been asked to take on the role of editor for the monthly 'Young Hackney - Youth News'. The items you can see make up part of one of Jamie's newsletters. Jamie is presently attending BSix Sixth Form College where he is undertaking a Sports Level 2 course, whilst at Stormont House he undertook his Year 12 work experience placement with Young Hackney - they were so impressed with him that they asked him to become their newsletter editor. Well Done Jamie.
