

National Junior Indoor Rowing Championships 2021

Last week 10 students took part in the National Junior Indoor Rowing Championships (the biggest sporting event of its kind in Europe.) Due to the current restrictions in place the event took place via live video link. There were 2257 male participants and 1548 female participants that competed nationally. Our students tried really hard and did exceptionally well winning 5 gold, 2 silver and 3 bronze medals. Every student that competed won a medal – this has never happened before at Stormont! What an achievement!
