

Skills London 2014

Today Year 10 and 12 visited the Excel Centre in Docklands to visit the Skills London 2014 exhibition.

Skills London 2014 is a hands-on skills and careers event attracting young people from across London. The exhibition is for visitors aged between 15-24 and the expected number of visitors over the two days it runs for is 30,000 people! Year 10 will be able to see and talk to representatives from different employers, colleges, training providers and advice & guidance advisers. The pupils will be able to see skills demonstrations and interactive exhibits.

By engaging the pupils with focused taster activities the exhibitors are able to access London's future workforce; inspiring them, entertaining them and most importantly informing them about the genuine opportunities available to them. I am sure that the pupils will come away from the event with lots of new ideas and inspiration about their futures.

Stormont House Pupils Rember Armistice Day

On Tuesday 11 November we held a special assembly to commemorate the 100th anniversary of Armistice day, the end of the first world war. During the preceding week pupils made their own special poppies of all different shapes, sizes and variations of red. The poppies were brought into assembly and placed at the front of the hall then, inspired by the 'Blood Swept Lands and Seas of Red' installation at the Tower of London, the poppies were made into a wall hanging which is currently on display in the school foyer. If you are meeting your child at school please take a moment to come in to see it, we hope that any parents and carers who have been in school recently have been able to look at it and appreciate the work that the pupils and staff put in to create it.

Pupils and staff also took part in the national two minute silence at 11.00am

Poppies made by our pupils currently on display in our reception area

Achievement Board

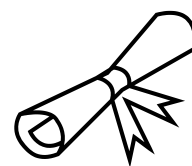

*Bronze Certificate of Achievement in **English** has been awarded to:*

 *Jake in Year 8*

*Bronze Certificate of Achievement in **Maths** has been awarded to:*

 *Sandra, Malachi, Holly, Nanak and Ryan all from 7M*
