PC James Ridout school visit

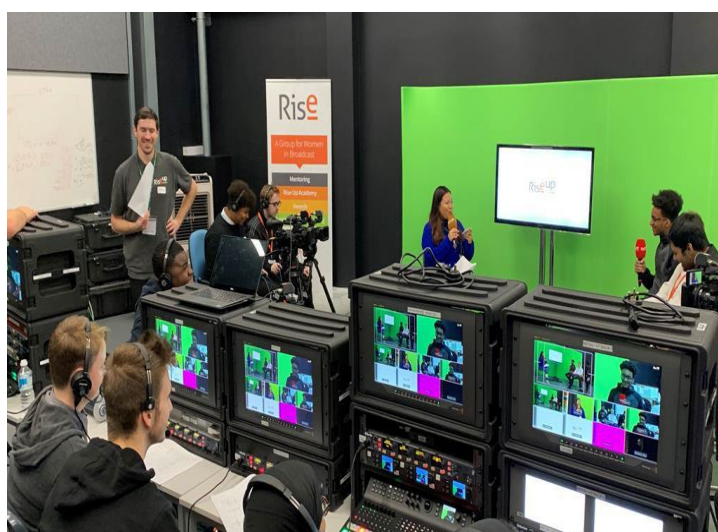

On Tuesday 24th January our school community police officer PC James Ridout is coming in to speak to students across all year groups about how to keep themselves safe and the role of the police officer. Students and staff will be able to ask questions, learn about the role of a police officer and what to do if they are out and about and need help or are stopped by an officer. This should be a really interesting and valuable session for all involved.

We are also planning to hold a parent session about keeping safe and will give more information about this in the near future. Don't forget to ask your son/daughter about James's visit when they get home from school on Tuesday.

RiseupAcademy

We are really lucky to have the Rise Up Academy workshops happening here for our Year 10 and 11 students next Wednesday 25th and Thursday 26th January! Professionals from the broadcasting industry will be working with our students to build a mini studio and run a live quiz show. Our students will have the opportunity to take on different roles such as, vision, mixers, sound, camera and operators, graphics and directors. I am sure you will agree that this is going to be an exciting day for our students (and staff!) More information and pictures about the day to follow!
