Connecting Classrooms From Taiwan to Hackney: Lanya Junior High School Visit to Stormont

On Monday 7 July, Year 7 were eagerly anticipating the visit by pupils and staff from Lanya Junior High School, Taipei who were visiting us as part of the Connecting Classroom Project that we have been a part of for the last three years.

The party from Lanya consisted of 13 pupils, 2 class teachers and the Principal - Ms Chung. Mrs Napier had planned 4 days of activities so that our pupils could show the group what it was like to be a pupil in a school in London. The first activity was a welcome party where the pupils linked with their pen pals face to face. The pupils then showed the Taiwanese party around our new school, they explained about the different subject areas and were introduced to pupils from other classes.

Suen, Marco and Aaron O from 7C in class with their Taiwanese visitors.

Congratulations!

We have just received our official Sports Relief Certificate from our fund raising events in March. Pupils raised an amazing **£146.35** through sponsored events.

Well done to US!
